Consolidate 1

D2471S49365-4024

Consolidate 1 is a whimsical biomorphic abstract print that features non-representational shapes and cutouts. The three shapes are placed at the center of the work and add a splash of color with olive green, cyan, and powder blue. A dab of mustard yellow toward the bottom of the work draws the view down. The cutouts appear around the edges of the work, some with a shading in cocoa brown that gives the piece a bit of dimension.

Using familiar forms, Consolidate 1 draws in the viewer in this original work of art on textured paper. Part of the carefully curated ART by TA Collection.
