Note: Do not use power tools for assembly. Power tools increase the risk of over tightening which leads to splitting or cracking the wood.

Care Instruction for Texture Microfiber Furniture:
In order to maintain the original appearance of your textured microfiber furniture, please follow the simple care procedures below:

- Avoid exposing furniture directly to sunlight or heating and air conditioning outlets. Sunlight and/or exposure to heating and air conditioning outlets will fade/damage textured microfiber.
- Vacuum or wipe with a soft cloth to remove dust.

For items used on wooden floor, hard surfaces or carpets, it is recommended to install protective pads under all legs and supports to prevent damages, scratches and discoloration.
