Just a Sip 1

D2500S49990-4045

Just a Sip 1 is a captivating monochromatic photograph that suspends the viewer in a singular moment in time. The extreme closeup of the glass and its contents are slightly blurred giving the image a dreamlike quality. Beads of light are reflected in the glass creating a glittering, almost celestial effect. The viewer is drawn into the motion, the flow, the simple act of pouring, and the anticipation of the sip to come.

A dramatic presence of black and white adds a flair of sophistication to this beautiful work of art on textured paper. Part of the carefully curated and exclusive ART by TA Collection.
