

# 4 Ft Iron Bench

## Assembly Instruction

### Friendly Reminders

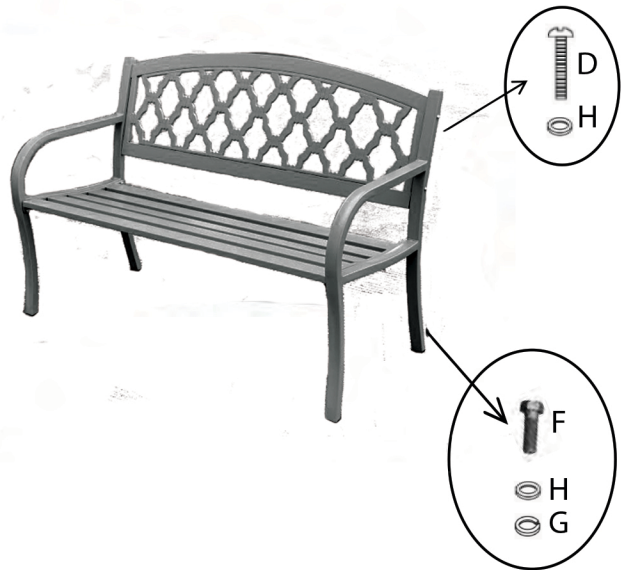

- During the assembly, place the empty carton beneath the casting parts to protect the finish from damage
- Do not over-tighten!
- Handle with care! Please keep children away from assembly area!

Parts List		Hardware Kit	
Description	Quantity	Description	Quantity
Legs	2	 D	4
Back	1	 F	4
Pre-Assembled Seat	1	 G	4
		 H	8

### STEP 1

Hold two legs straight up on a flat surface. Connect the seat to both legs with 4 F, H, and G

\* Do not completely tighten!

### STEP 2

Connect the pre-assembled back to both legs with 4 D and H

### STEP 3

Make sure the bench stands level and straight (90-degree to the floor)  
Then securely tighten all bolts.
