Notes

1. Please read the manual and product labels completely before use. And pay particular attention to the safety instructions included.
2. Please note that the upper cover should not be washed in the dishwasher.
3. Please note that vegetables must be washed to remove grit prior to preparation. Meat must be deboned before preparation (pork should be skinned, beef should have its membranes removed).
4. Please allow the slight color difference caused by the shooting light and the 1-3 cm error due to manual measurement, and make sure you do not mind before ordering.
