

ASSEMBLY INSTRUCTION SHEET FOR BAR

STEP - 1

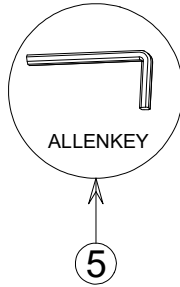

Lay the bar on its back on protective surface.

METAL WASHER

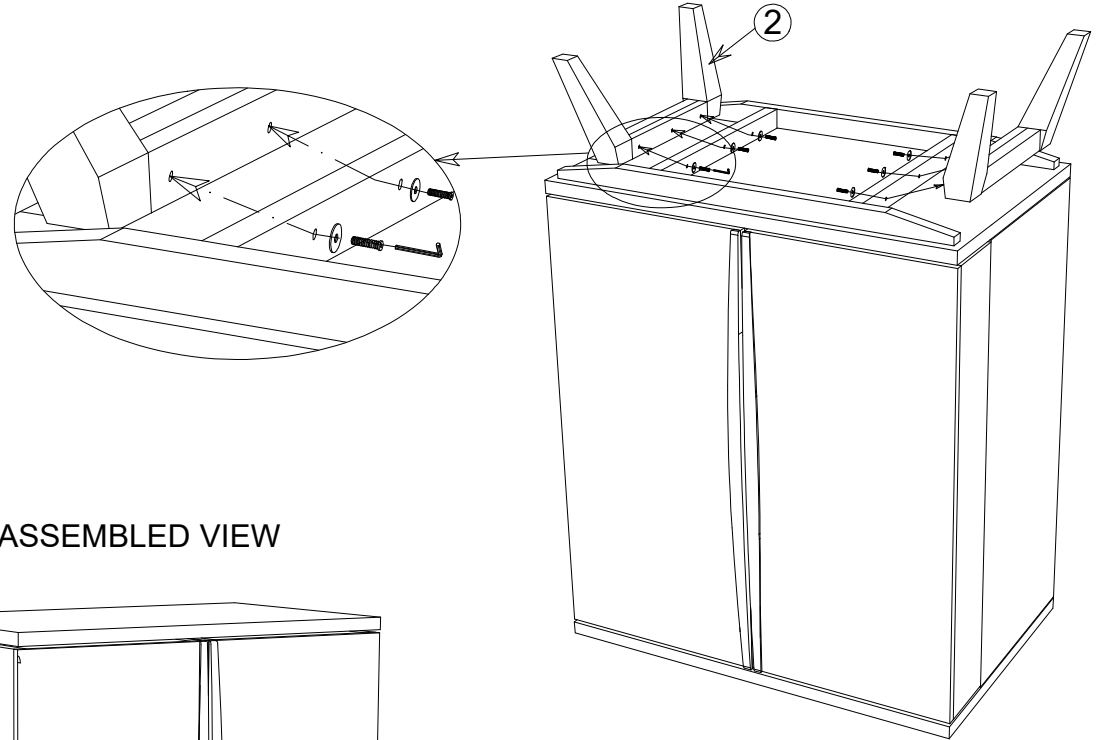

ALLEN BOLT

ALLENKEY

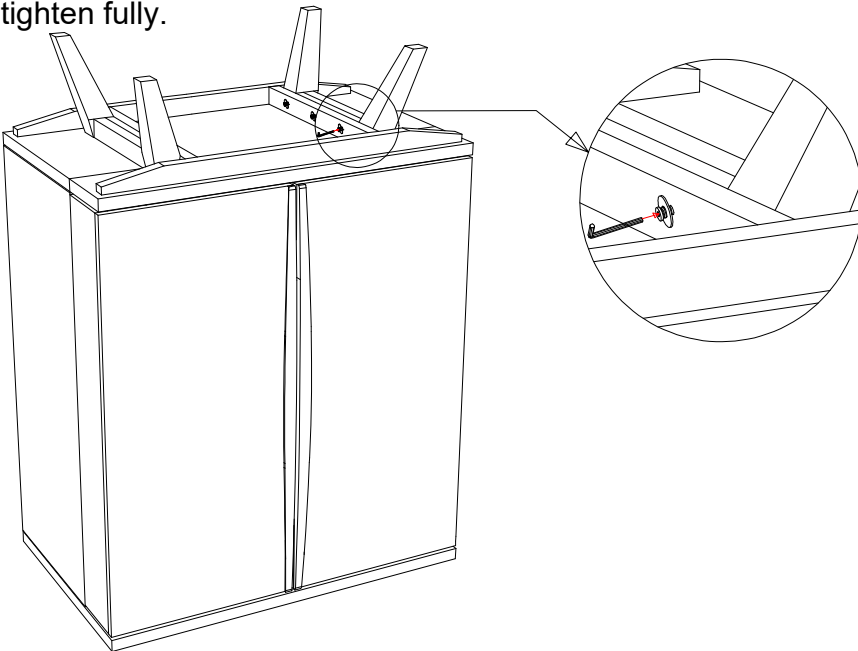

STEP - 2

Coordinate the numbers on leg & numbers on bar bottom apron. Align the holes on legs with holes on bar bottom.

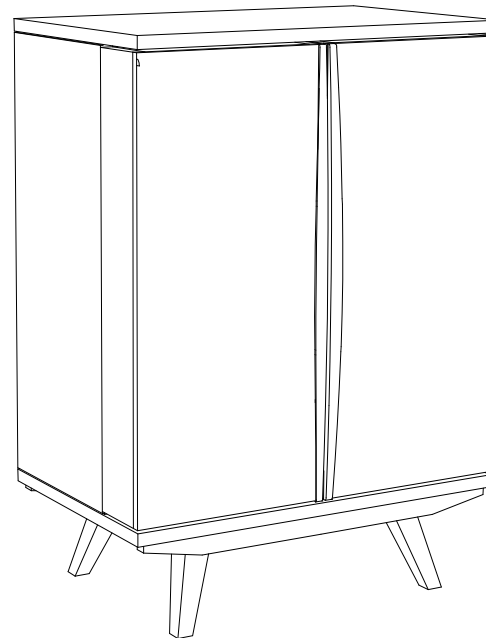

STEP - 3

Insert the allen bolt with metal washer & use the allenkey to tighten the allen bolt partly until all 3 bolts are engaged. Repeat step 2 once all 3 bolts are engaged, tighten fully.
