Diagram illustrating the assembly of the lower part of the cabinet, showing the installation of drawers and the front panel.

The diagram shows the assembly of the lower cabinet section, including the installation of drawers (labeled 3 and 14) and the front panel (labeled 14). The assembly involves attaching the drawers to the cabinet frame using screws (D) and cam bolts (A). The front panel is attached to the cabinet frame using cam bolts (A) and cam locks (B).

The diagram also shows the installation of the drawer runners (K1 and K2) and the drawer front panel (E). The drawer runners are attached to the cabinet frame using screws (D). The drawer front panel is attached to the drawer using screws (D).

The diagram includes a detailed view of the drawer runner assembly, showing the K1 and K2 components and their orientation.

FURNITURE CARE AND MAINTENANCE

particle board - Density Fiberboard

Thank you for your purchase. We want your item to last as long as possible. To ensure the product gives you years of service, please refer to this care and maintenance guide.

MAINTENANCE

- Tighten all bolts and screws again within the first 2 weeks of assembly
- Check the tightness of all bolts every 2 months, tighten them if necessary

CLEANING

- Clean the surface of the MDF (medium - density fiberboard) with a lightly dampened cloth.
- Small amount of mild soap can be used if necessary
- Dry the surface immediately after cleaning.

- ⚠ DO NOT use bleach or alcohol detergent to clean the surface.
- ⚠ DO NOT apply wood treatment on parts made with MDF.

Medium - density fiberboard will swell and distort when suffer from water damage. Make sure to dry the furniture immediately after cleaning
