EN_Note: For safe use of the product, the hose must be connected, or if the hose is not connected, wrap the connector with other soft materials to avoid accidental impact hazards.

FR_Remarque: Pour une utilisation en toute sécurité du produit, le tuyau doit être connecté, ou si le tuyau n'est pas connecté, enveloppez le raccord avec d'autres matériaux souples pour éviter les risques d'impact accidentel.

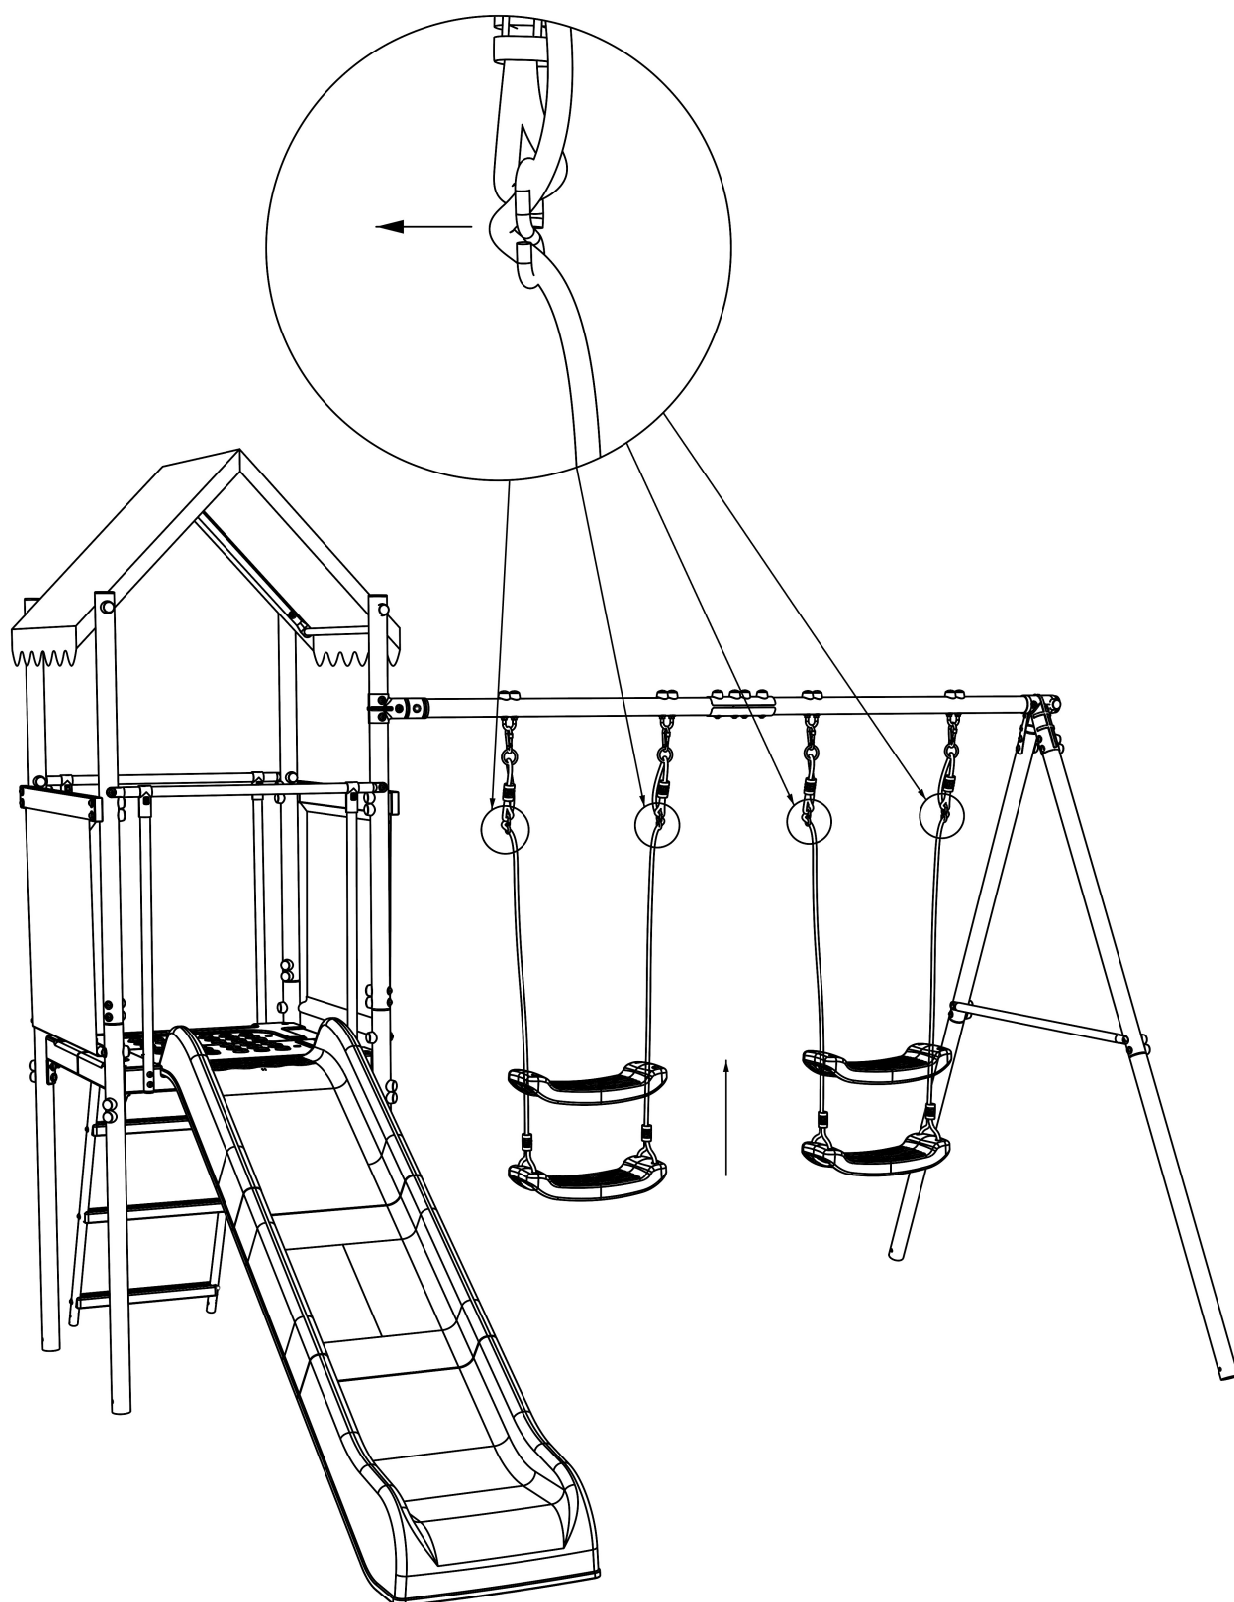

DE_Hinweis: Für die sichere Verwendung des Produkts muss der Schlauch angeschlossen werden, oder wenn der Schlauch nicht angeschlossen ist, wickeln Sie den Anschluss mit anderen weichen Materialien ein, um versehentliche Aufprallschäden zu vermeiden.

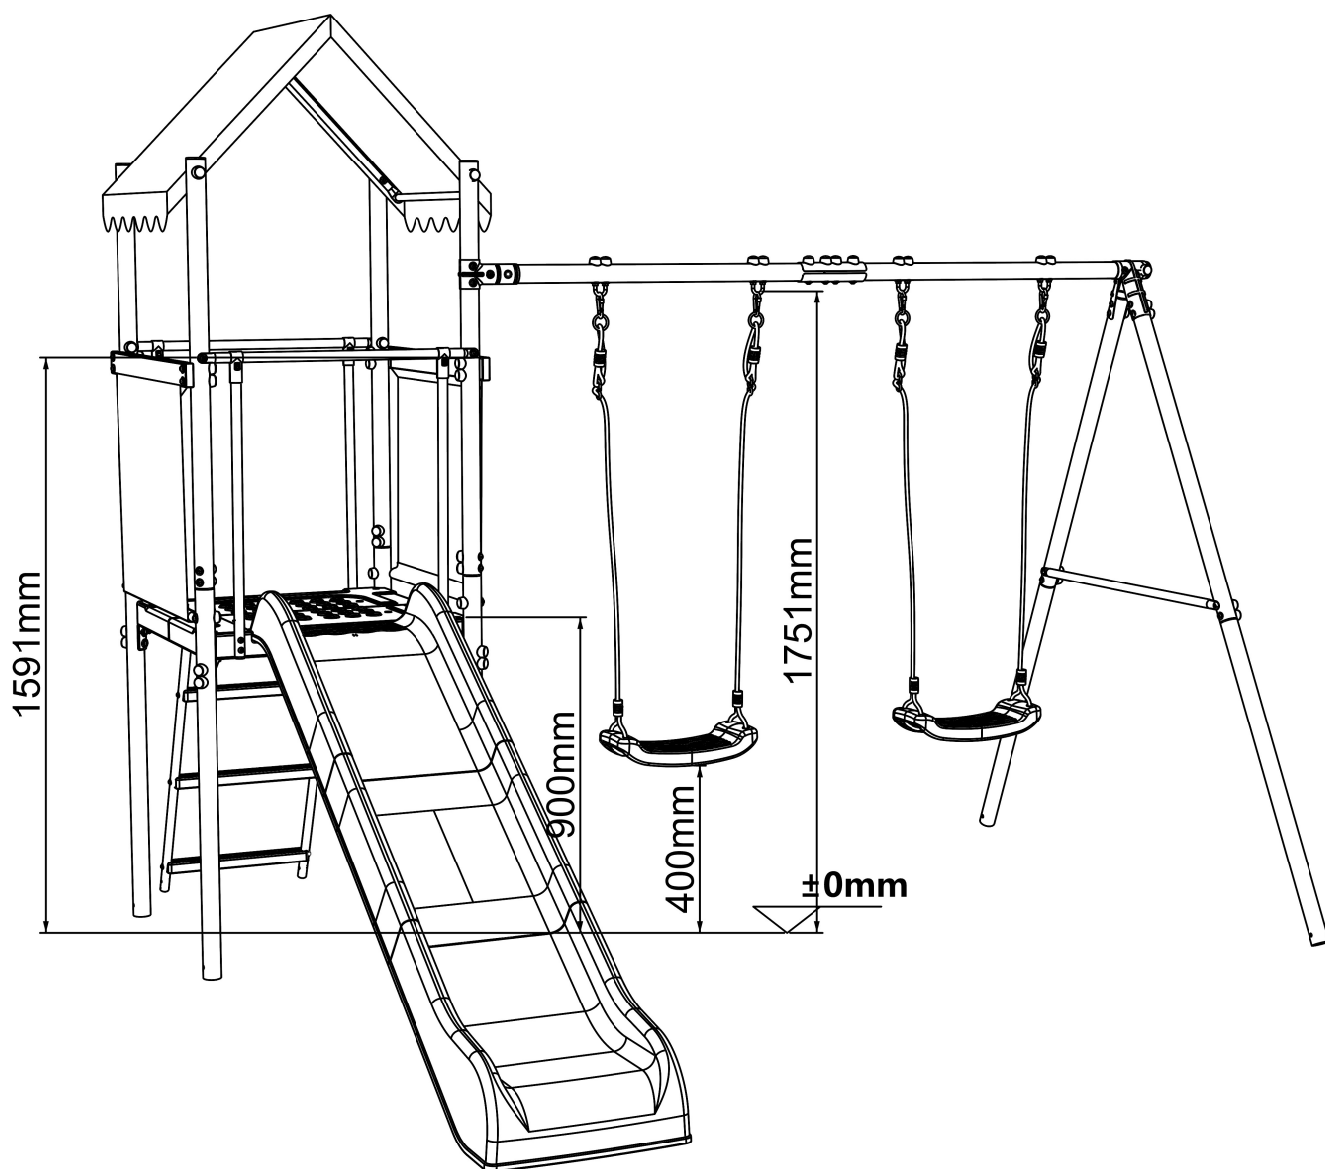

ES_Nota: Para un uso seguro del producto, la manguera debe estar conectada, o si no est conectada, envuelva el conector con otros materiales suaves para evitar riesgos de impacto accidental.

PT_Nota: Para uso seguro do produto, a mangueira deve estar conectada, ou se não estiver conectada, envolva o conector com outros materiais macios para evitar riscos de impacto accidental.

IT_Nota: Per un uso sicuro del prodotto, il tubo deve essere collegato oppure, se il tubo non è collegato, avvolgere il connettore con altri materiali morbidi per evitare rischi di impatto accidentale.
