PICARD ROUND MIRROR

Trouvé Collection

HCP9099-10

W 36in D 4in H 36in

This beautiful silhouette is a modern adaptation of a traditional Regency period mirror. The Picard Mirror is finished in Black Lacquer and features Ivory trim on the large half bead detail that surrounds the clear beveled mirror. It has a deep coved shape that demands attention as it projects four-inches from the wall. Standard and only available in Picard finish.
