

# WOODEN PLANTER BOX WITH HANDLES & REMOVABLE LINER

Read all information carefully before using this product. Save this document for future reference.

## USE & CARE

**FILLING & WATERING:** Lightweight potting soil is recommended for filling the liner. Take care when watering. The plastic liners do not have drainage holes. Spilling or splashing water onto the wooden surfaces may alter the appearance of the wood.

**MOVING:** Always lift the planter from the bottom when moving it, never drag or slide it as doing so will damage the planter. Slowly and gently set the planter down to prevent breakage.

### CLEANING:

**WOOD:** Gently dust with a soft, dry, lint-free cloth.

**PLASTIC LINER:** Mix 1 part distilled vinegar with 4 or 5 parts warm water. Wash the liner with the mixture and a soft cloth. Rinse thoroughly and dry.

**STORAGE:** Store in a dry, indoor location. Covering while in storage will help prevent dust build-up.

**Any modification to the product or failure to follow recommended care will void the product warranty.**

 **WARNING:** Manufacturer and seller expressly disclaim any and all liability from personal injury, property damage or loss, whether direct or indirect, or incidental, resulting from the incorrect attachment, improper use, inadequate maintenance, or neglect of this product.
