Securing Ratchet Tie-Downs

Note: Use these instructions in the pages that follow.

1. Thread the strap through the Ratchet's (8) spindle as far as it will go.

Figure K: Threading Strap through Spindle

2. Insert the S-hook of the Ratchet into the hole in the Corner Leg (6).

Figure L: Inserting Hook into Corner Leg

3. Lift and lower the Ratchet's handle to wind and tighten the strap onto the spindle.

Figure M: Tightening Ratchet

NOTICE: Excessive tightening will damage straps, Covers, and Corner Legs.

Releasing Ratchet Tie-Downs

1. Depress the spring-loaded bar on the handle.
2. Open Ratchet handle completely.
3. Unwind the strap.
