

Assembly Instructions

Swivel Accent chair

Note

1. Please check the parts list before assembly and read the instructions step by step carefully. Wrong ways might result in incomplete assembly, more seriously, causing personal injury and property damage in the future.
2. If it's possible please find another person to help you, Using an electric screwdriver would make the assembly much easier.
3. If you have any problems during the assembly that you can't solve on your own, please contact us immediately through platform, we'll reply to you as soon as possible.

Step1

Use scissors to cut open the packaging along the plastic seal of the vacuum bag, and then wait for three minutes

Step2

First, peel off the two Velcro strips on the underside of the cushion (C), then stick the cushion to the base (B).

Step3

You can use cardboard boxes as a support point for the installation of cushion

Step4

Connect the base (B) with backrest (A) using screws (2) and wrench(3).

Step5

Step6

1. Use screws (1) to connect (E) with base (B)
2. Connect (F) with (E).
3. Connect (D) with (F).

Step7

Align the curved side of the bar for the footstool with the sign labeled 'FRONT'.

Step8

1. Connect (G) with (I) using screws (1). Follow the instructions above, aligning the label "FRONT."
2. Connect (H) with (I).
