

Installation steps:

1. Loosen the screws on the Y-shaped cover
2. Connect the left and right lamp arms, then close the Y-shaped cover and tighten the screws
- 3-4. Tighten the screws on the side after adjusting the angle
- 5-6. Connect the boom to the lamp body
(the boom can be spliced according to the height of the ceiling)
7. Twist the universal head on the boom
(can be installed with inclined ceiling)
8. Use a nut washer to lock the suction cup on the universal head
9. Use the screws on the accessory kit to fix the hanging plate on the junction box
10. Connect the main line of the lamp body to the line reserved on the ceiling
11. Put the whole lamp on the hanging plate
(let the screw of the hanging plate expose the suction cup)
12. Screw the flower branch nut onto the exposed hanging plate screw
13. Install the light source (without bulb)
14. Twist the lampshade into the lamp holder

Attention:

1. Please cut off the power supply before installation to prevent electric shock
(installation by certified electrician is recommended)
2. Due to the different display, the actual color can be different from the image
3. Due to the manual measurement of lamp body size, there may be a deviation of 1 / 2 inch
4. If you have any questions or lost parts, please feel free to contact us and we will try our best to help you
