Safety and Care Advice

Important :
Please read these instructions fully before starting assembly.

- Check you have all the components and tools listed on the following pages.
- Remove all fittings from the plastic bags and separate them into their groups.
- Keep children and animals away from the work area, small parts could choke if swallowed.
- Make sure you have enough space to layout the parts before starting.
- During assembly do not stand or put weight on the product, this could cause damage.
- Assemble the item as close to its final position (in the same room) as possible.
- Assemble on a soft level surface to avoid damaging the unit or your floor.
- Parts of the assembly will be easier with 2 people.

- To reduce the likelihood of damaging your product please ensure that your power drill is set on a low torque setting.

Care and Maintenance

- Only clean using a damp cloth and mild detergent, do not use bleach or abrasive cleaners.
- From time to time check that there are no loose screws on this unit.
- This product should not be discarded with household waste. Take to your local authority waste disposal center.

Handy Hints

- Assemble all parts and bolts loosely during assembly, only once the product is complete should you fully tighten the bolts.
- Regularly check and ensure that all bolts and fittings are tightened properly.

Warning

In order to help prevent overturning, please follow these instructions.

- Use the anti tip strap or wall fixing method provided (if applicable).
- Do not allow children to climb or hang on the furniture.
- Do not open more than one drawer at a time.
- Do not place heavy items in the top drawers.
- Do not place heavy items on top of the furniture, unless the furniture has been designed for this purpose.
- Please note that only the anti tip strap is provided. You will need to provide wall plugs and screws applicable for your wall type.
