

TTS100

A step above the ordinary

When mounting your TV to the wall isn't an option, the TTS100 tabletop stand provides the next best solution. Designed to sit on top of an entertainment center, this mount and base combo serves as an improvement to the basic stand included with most TVs. Its height adjustable support column allows you to raise the center of your TV up to 25.6 inches, providing room for a sound bar or other AV equipment. It also offers up to 60° of swivel to improve line-of-sight while seated at an angle. The TTS100 includes integrated cable management for a tidy setup and an optional safety tether for added security.

TECHNICAL ILLUSTRATIONS

SUPPORTS UP TO 88 POUNDS

Designed for 37" to 60" TVs, the TTS100 safely supports up to 88 lb.

HEIGHT ADJUSTABLE

Raise the center of your TV up to 25.6" to provide room for a sound bar or other AV equipment.

SAFETY TETHER

For further prevention against tipping, use the provided nylon strap to secure the mount to the wall.

INTEGRATED CABLE MANAGEMENT

Easily hide wires and cables by routing them through the interior of the support column.

TILT AND SWIVEL

To improve line-of-sight while seated at an angle, the TTS100 can swivel up to 30° left or right, depending on screen size. It also provides 5° of backward tilt to help reduce glare.
