All Accessories for Assembly

How to Fold

1. Remove the wooden cover.
2. Pull up the buckles on the box and fold the left and right side panels.
3. Fold the front and rear panels inward, then fold them down.
4. Complete folding.

Application

It is versatile and can hold lots of stuff such as toys, snacks, clothes, books, tools, etc, in study rooms, living rooms, bedrooms, kitchens, trunks, toy rooms, and others.

Notes

Please allow the slight color difference caused by the shooting light and 1-3cm error due to manual measurement, and make sure you do not mind before ordering.
