

Hey! Play! Wooden Labyrinth Table Maze Game Instructions

Place a steel marble at the 'Start' position on the board. Using the two wooden knobs on the side and front of the game, tilt the board to move the marble past the 60 numbered obstacles all the way to the 'Finish' position without letting the marble drop in one of the holes. Every strategic twist and turn of the knobs changes the angle of the Labyrinth board and sends the marble rolling!

WARNING:

CHOKING HAZARD--Small parts
Toy contains a Small ball
Not for children under 3 years
