GDWMI01
 Bronze
 H: 46 IN
 W: 28 IN

A new mirror we just haven't seen before. The mixed metal finishes on the cloud silhouette base hold the antiqued mirror together. The low horizon line of the bronze and antique brass base leaves unencumbered reflection for the upper area. Artwork as well as a useful piece, use in a powder room or over a hallway console to magnify space and light. The mirror is fitted with a cleat for hanging. Finishes will vary.
