

#### Care Instructions:

- \*Wipe clean using a soft, dry cloth or static duster
- \*Always avoid the use of harsh chemicals and abrasives to clean fixture as they may damage the finish

## Assembly Instructions

#### Important Safety Instructions & Warnings:

- \*Please read instructions in their entirety prior to assembly and installation.
- \*We strongly recommend installation by a licensed Electrician.
- \*Make sure the electricity to the wires you are working with is shut off; the fuse is removed or circuit breaker is turned off. Simply turning the power off using a light switch is not sufficient to prevent electrical shock!
- \*All electrical connections must be in accordance with local and National Electrical Code (NEC) standards.
- \*For your safety and Convenience, assembly by two people is recommended.

#### Assembly:

1. Shut off main electrical supply at fuse box or circuit breaker.
2. Connect the glass (I) with the part (H).
3. Screw rod (E) with fixture sphere (F).
4. Affix mounting bracket (B) to ceiling junction box using mounting screws.
5. Connect black fixture wire to black supply wire and white supply wire to white supply wire using wire caps (provided). Wrap connection with electrical tape.
6. Connect fixture ground wire and house ground wire using wire cap (provided). If your ceiling box does not have a ground wire, wrap ground wire under and around ground screw marked GND. Fasten Ground screw to make sure ground wire is securely connected.
7. Carefully place wiring back in junction box.
8. Place canopy (C) over mounting screws and mounting brackets (B), and affix to ceiling using canopy screws (A) and decorative fastener (D)

#### Parts include:

- \*Mounting bracket
- \*Ceiling canopy
- \*Ring
- \*Light fixture
