

Charge all your classroom tablets at once with Learniture's Structure Series 30-Bay Tablet Charging Cart with Electric. Two spacious shelves with dividers accommodate up to 30 devices, and an additional accessory shelf gives you a place to store cables, wires, headphones or extra tablets. Four rolling casters and a grip handle make it easy to maneuver the cart over any flooring. The two-point lock system on the front and back doors keeps your devices safe from theft.

Structure Series 30-Bay Tablet Charging Cart w/ Electric

- UL approved outlets (15A 125V per socket).
- Includes cord management system (2 clips per device for front & back).
