

ASSEMBLY AND CARE INSTRUCTION

Floor Lamp

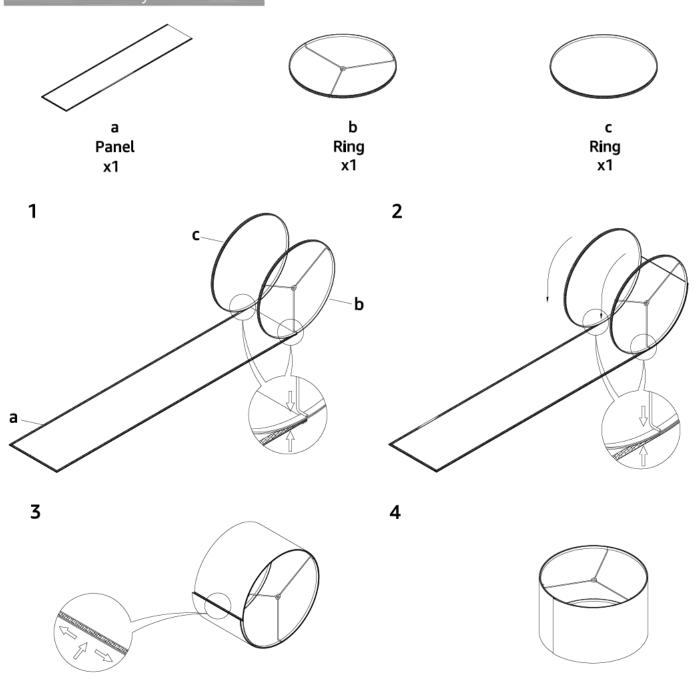

CARE AND MAINTENANCE

Unplug lamps before using any cleaning solutions. Dust shades with a feather duster or with an appropriate vacuum-brush attachment. Wipe with a soft, dry cloth and clean lamp bases with the methods appropriate to the material. Avoid the use of chemicals and household cleaners as they may damage the finish.

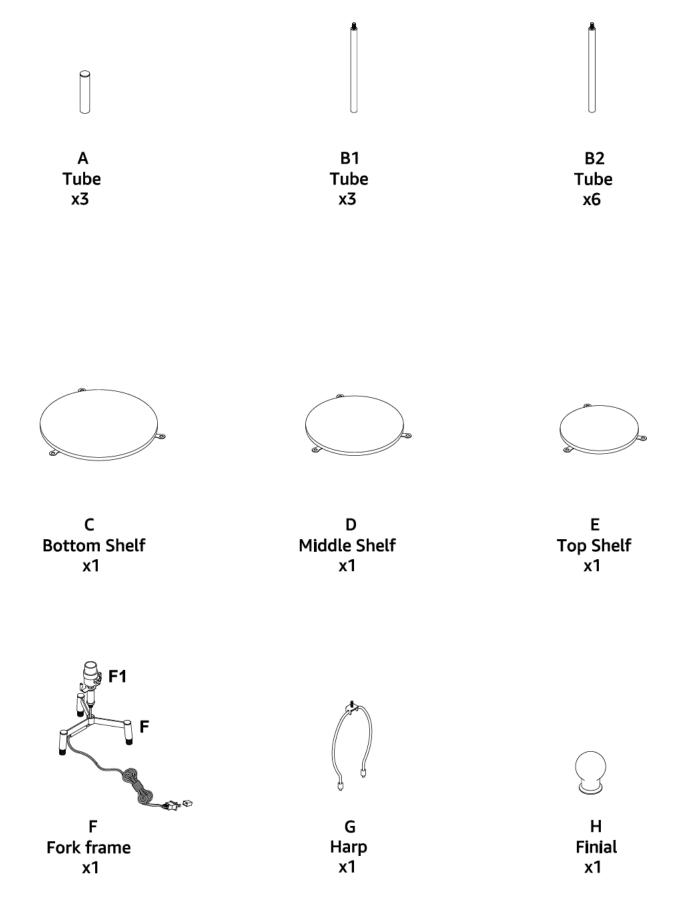

NOTICE & IMPORTANT SAFETY INSTRUCTIONS

- * Please make sure that you have all parts indicated before you begin assembly of this item.
- * This item should be assembled on a soft surface to prevent scratching the finish during assembly.
- * To reduce the risk of fire, electrical shock or injury to persons or property, please follow the guideline below for safe use and installation.
- * The external flexible cable or cord of this luminaire cannot be replaced. If the cord is damaged, the luminaire shall be destroyed.
- ** This portable lamp has a polarized plug (one blade is wider than the other) as a safety feature to reduce the risk of electric shock, this plug will fit in a polarized outlet only one way, if the plug does not fit fully in the outlet, reverse the plug, if it still does not fit, contact a qualified electrician, never use with an extension cord unless the plug can be fully inserted, do not attempt to defeat this safety feature.

Shade Assembly Instructions

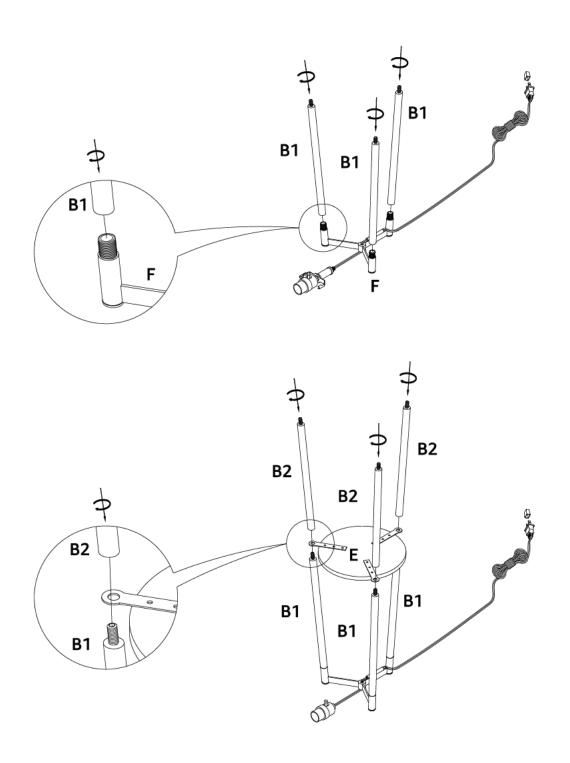

PARTS

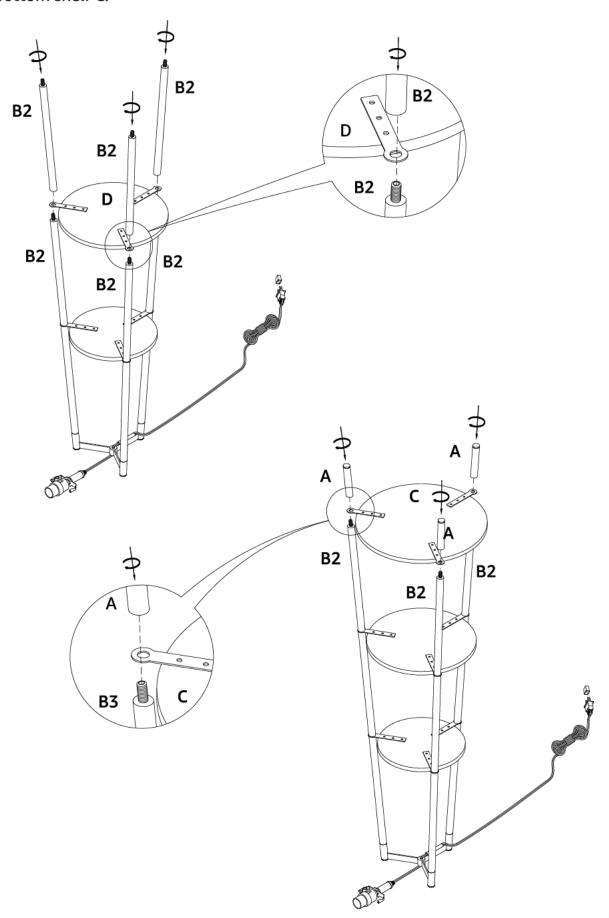

ASSEMBLY INSTRUCTIONS

Screw the tube B1 onto the fork frame F.
Put the top shelf E to the tube B1, then screw the tube B2 to the tube B1 through the top shelf E.

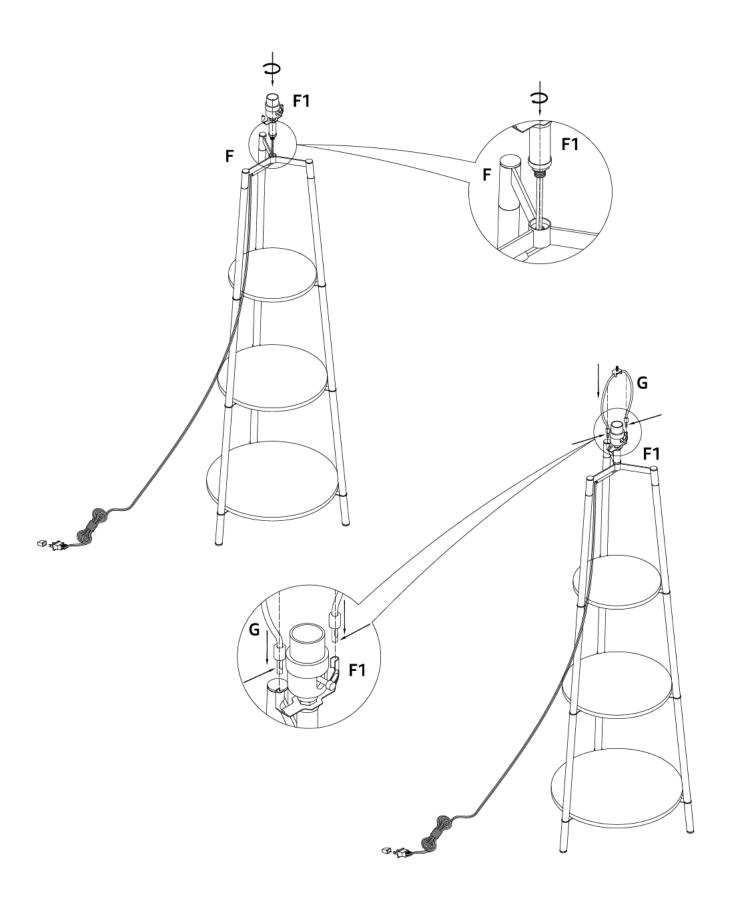

Put the middle shelf D to the tube B2, then screw the tube B2 to the tube B2 through the middle shelf D.

Put the bottom shelf C to the tube B2, then screw the tube A to the tube B2 through the bottom shelf C.

Screw the saddle of socket assembly F1 to fork frame F. Screw off the harp G and the finial H at first. Insert the harp G into the saddle of socket assembly F1.

Put the shade on the Harp G, then tighten the finial H into the harp G. Put the light on the level surface to check if everything is stable.
