| Daily maintenance

- ◆ Avoid direct sunlight.
- ◆ Keep sharp objects away from the surface of the sofa.
- ◆ Clean with a soft-bristled brush or the soft brush head of a vacuum cleaner.

Friendly Reminder

1. Repeatedly tap the sides and front and back to make it rebound better and fluffy.
 2. Knead your cushion like giving your cushion a massage while allowing the air to flow through the foam.
 3. Wrinkles caused by compression are normal. They will fade over time.
- For quicker results, gently steam or blow with a hairdryer (low heat).

Use Velcro to secure the seat cushion
