

Imogene Accent Clock 635237

The Imogene accent clocks' unique shape and design make it the perfect statement piece for your home. The black with gold accents throughout combined with the rustic and distressed characteristics give this piece a sense of old-world charm.

Clock Design: This tambour-shaped metal accent clock features an antique black finish with antique gold accents throughout including a raised bezel and a stripe around the top and sides of the case.

Dial Design: The 7" dial sits behind a flat glass crystal and features an aged, off-white background, black hour and minute hands, and aged black Arabic numerals at the 12, 2, 4, 6, 8, and 10 positions that alternate with tapered hour markers outlined in gold. Along the edge of the dial is a black minute track with Arabic numerals.

Quartz Movement: This metal accent clock has a battery-powered quartz movement which requires one AA battery (not included).
