Parts Included

Bench Body -01

Brass Legs in Pairs -02

Hardware Included

Allen Screw -18

Allen Key -01

Rubber Feet -04

- Do not throw away packaging materials until assembly is complete.
- **IF YOU DO NOT REQUIRE THE PROTECTIVE BLACK FEET ON THE BENCH LEGS - PLEASE REMOVE BEFORE.**

STEP – 1 Place the Bench bottom facing upwards.

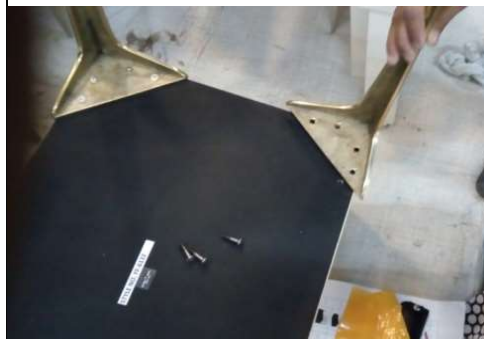

STEP – 2 The Legs and body have A/B/C/D markings. Match the marking on the Leg with the body hole and align them correctly so that there is no imbalance.

STEP – 3 & 4 Use the Allen screws provided to secure the legs, first tighten the screws lightly. Once the legs are in place gently tighten them till firm. Do not apply excessive force while tightening otherwise the thread may be damaged.
