

Bromley Sofa - Brown

111649

With its voluminous contours, the Bromley Sofa is a captivating presence in any living space. Upholstered in our altro cappuccino fabric, this sofa features wide arm and back rests for additional comfort. Brown oak wood base and detailing give a rustic element to the overall design. As wood is an organic, porous material, these pieces will contain natural variation of texture and may also exhibit fine indentations and cracks. Wood pieces will also display a disparity of colour and grain, and visible knots and burls that add to the character of each piece.
