INSTRUCTION MANUAL

ADJUSTMENT OF HEIGHT

NOTE: It is recommended to adjust the height of the light fixture before installation.

- Turn off the power, measure the distance from the ceiling to the bottom of where you would like to hang your light fixture.
- To retract the wire, twist off the plastic buckle and then push the wire inside the base of the lamp. Tighten the plastic buckle to fix the wire (fig. 1).
- Twist off the plastic buckle and pull it out, then tighten the plastic buckle (fig. 1).
- After the wire reach the required length, turn over the fixture and swipe up the plastic wire retainer to the wire nul, to prevent the pendant from slipping off during use (fig. 2).
