Precautions before Assembly

1. If any parts are defective, please contact the seller or Fortune Candy customer service for partial refund and replacement parts.
2. Please follow the steps below to install the swing and do NOT tighten all screws until last step. Fixing a single part too early may make other parts difficult to assemble.
3. Please assemble the nuts and washers correctly according to the schematic diagram and tighten the screws at the last step, to maximize the load-bearing capacity of the swing.

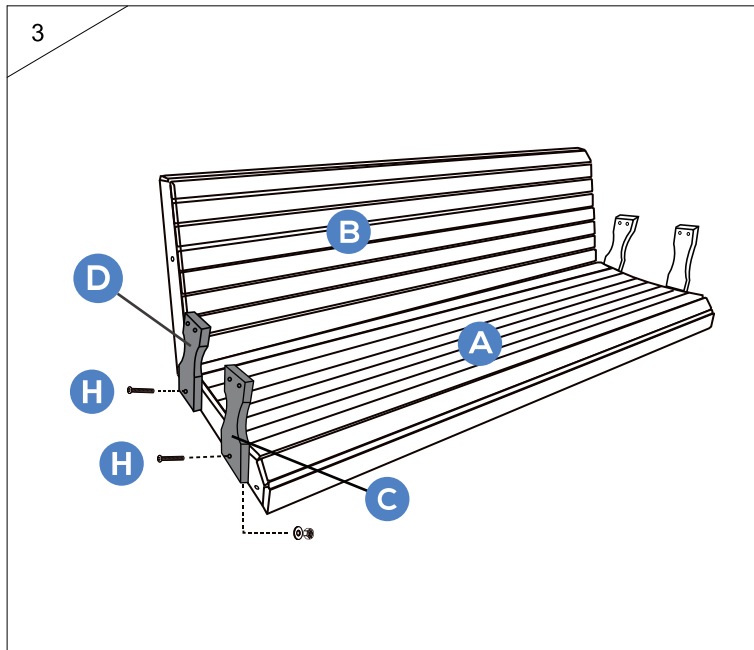

* We provide excellent after-sales service, which is appreciated by many buyers. Your satisfaction is our main goal.
