

POINT LARGE SHERPA

This pouf will make your home right on point.

Here's the story

Point Large Sherpa is an island of relaxation. This oversized pouf is surprisingly comfortable. What's more, it's always there for your snacks, drinks, friends and - most importantly - your feet. Slump down on it as hard as you like; Point Large Sherpa's non-slip bottom will keep it firmly in place. From TV bingeing to drinks way into the small hours, Point Large Sherpa is always up for big fun.

A big point of comfiness

Point Large Sherpa is making a big point of comfiness. The sherpa fabric makes it stylishly comfortable and the cuddly fabric is super strong. Its colors will complement any interior – as well as the whole Fatboy collection. It combines perfectly, for example, with The BonBaron Sherpa, made of exactly the same fabric.
