Light Source Included: NO

Voltage: 120VAC

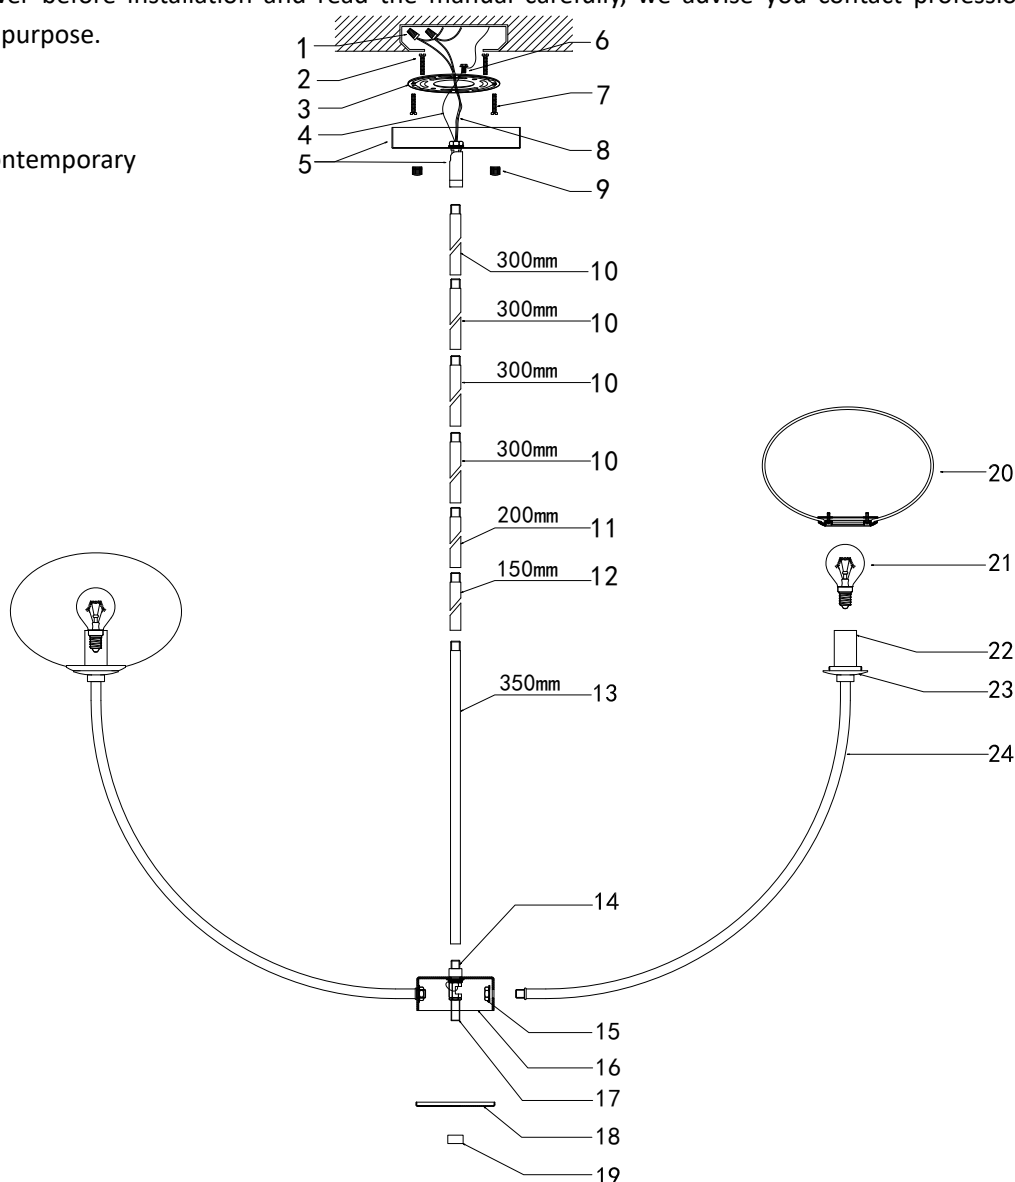

Wattage: 40W

Package includes

1 x Chandelier Light

1 x Accessories Kit

1 x User's Manual

Installation Instructions

A. Loosen the flat nut (19), and remove the cover (18).

B. Firmly secure the curved lamp arm (24) to the lamp housing (16) with included nuts and washers (15).

C. Reattach the cover (18) onto the bolt (17) and secure it by tightening the flat nut (19).

D. Route the fixture wire (8) and ground wire (4) through the parts in the sequence: long rod (13), short rod (12), medium rod (11), second long rod (10), and finally the canopy (5). Fasten the lower end of the long rod (13) to the thread (14), and the upper end of the long rod (10) to the swivel joint of the canopy (5).

E. Secure the mounting plate (3) to the junction box using the provided mounting screws (7).

F. Connect the fixture wires (8) and the wires reserved on the junction box with wire nuts (1) respectively, then insulate all connections with electrical tape and neatly tuck wires into the junction box. Secure the ground wire (4) of the fixture and junction box to the mounting plate (3) with a green screw (6) to ensure proper grounding.

G. Insert the mounting screws (2) through the canopy (5), then tighten the cap nuts (9) to secure the fixture in place.

H. Assemble the bulbs (21) (not included) into the lamp sockets (22). Carefully fit the glass lampshade (20) onto the lamp holder (23).

Note: please use this product accordingly to its intended purpose, do not retrofit or remodeling the product. The warranty does not cover if the failure is caused by the third party product, or natural disasters.
