

Assembly Instructions

Parts List

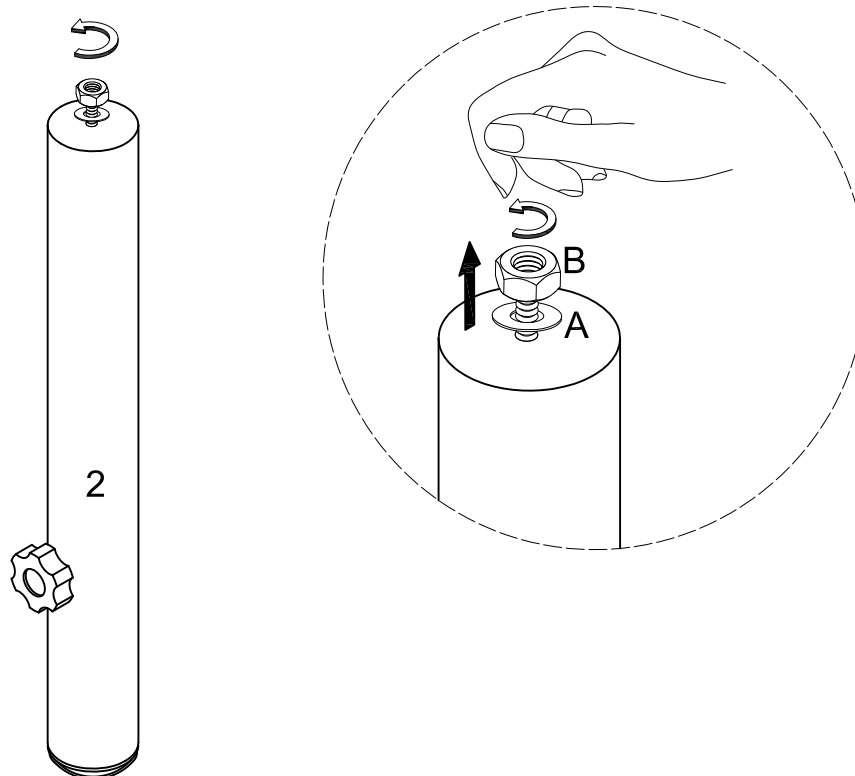

Hardware List

A		Washer	1 pc
B		Nut	1 pc

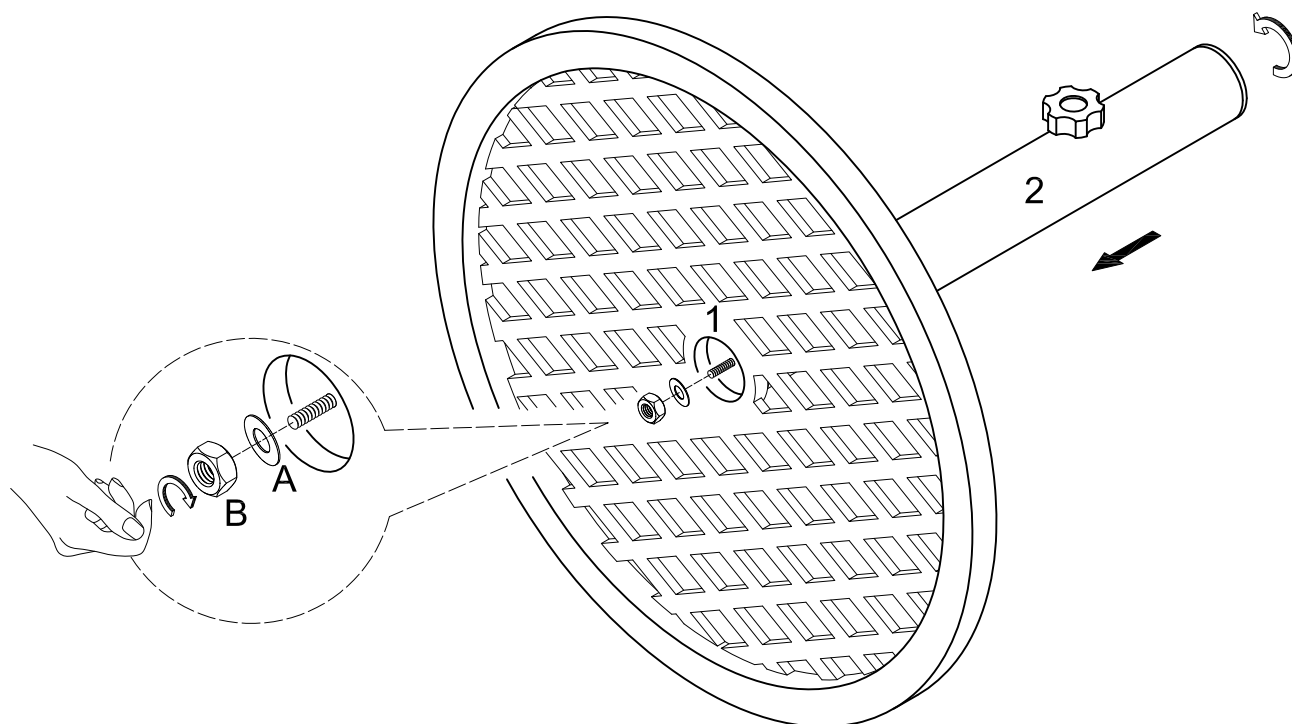

*The hardware quantities listed above are required for proper assembly.
Some extra hardware may also have been included.*

Step 1

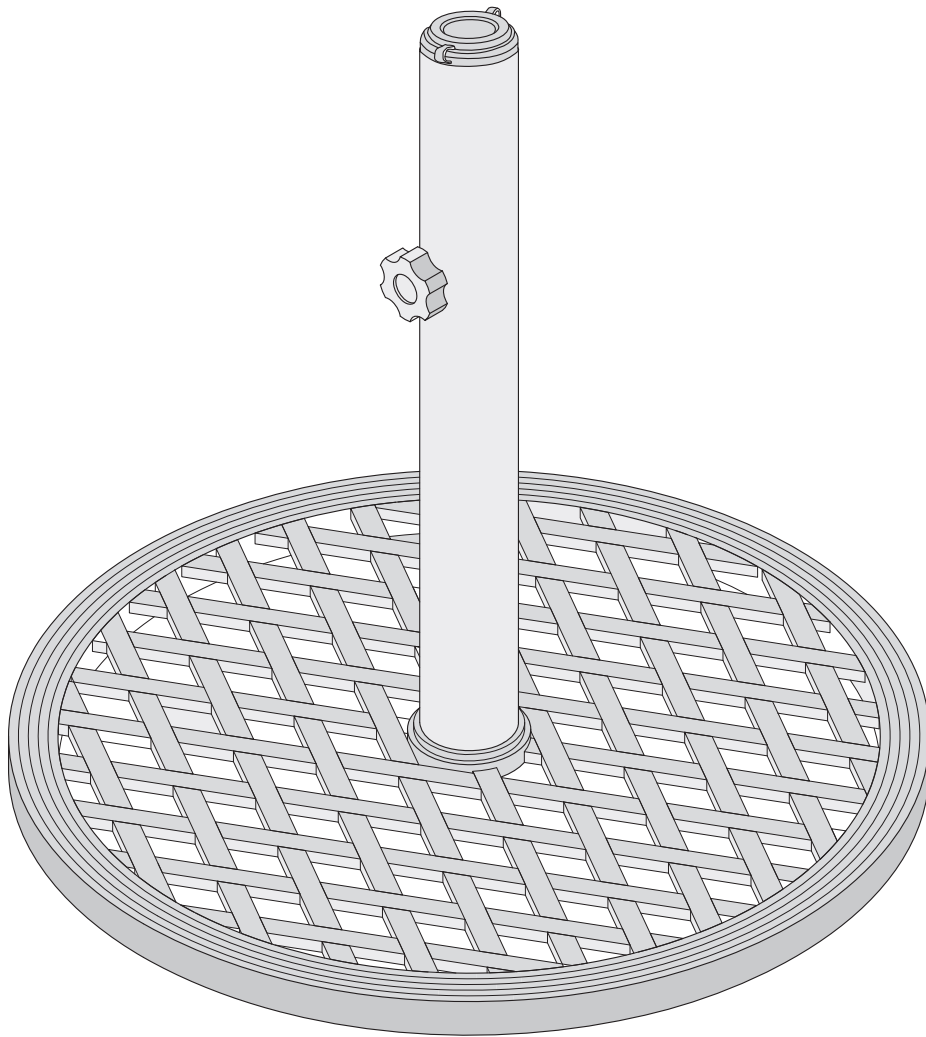

Loosen and remove nut (B) and washer (A) from pole (2).

Step 2

Insert pole (2) into stand base (1). Secure pole (2) using nut (B) and washer (A). Tighten nut (B) firmly.

Step 3

Final Assembly
