**Color:** Anthracite Black

**Number of Shelves:** 0

**Number of Drawers:** 9

**Number of Leaves:** 0

**Style:** Traditional

**Finish:** Dark Wood

**Brand:** Hooker Furniture

**Product Description:** Fill your master or guest bedroom with character with this nine-drawer dresser steeped in the rich heritage of the American countryside. Crafted of Hardwood and Poplar Solids with White Oak and Walnut Veneers, the dresser features a black drop-in felt liner in the left and right top drawers, a removeable jewelry tray in the top center drawer with wood supports to rest the tray at the top of the drawer, and cedar-lined bottom drawers.

**Collection Features:** Inspired by the most beautiful examples of American countryside, Hooker Furniture's Hill Country Collection imparts an authentic American character. Hill Country is a collection of bedroom, dining, home office and accent furniture crafted of flat-cut rustic white oak veneer that is cracked before the finish is applied to appear seasoned over time.

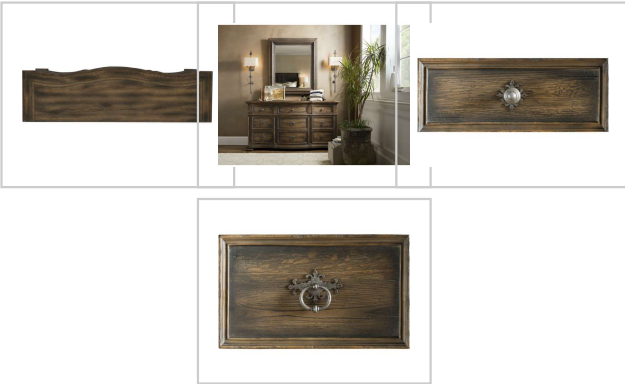

**Status:** Active

**Finish:** MULTI: A timeworn saddle brown (BRN) that is paired with an anthracite black with light dusty-wax hang up (BLK) to create a two-tone finish that is as authentic as the countryside from which it emanated. The custom-crafted hardware in an aged pewter finish has shaped back plates and is inspired by hand-wrought ironworks from Texas Hill Country. Distressing includes rasping, gouging, hand planing, chopping and worm holes.

**Features:** Nine drawers

Black drop-in felt liner in the left and right top drawers

Removable jewelry tray in the top center drawer with wood supports to rest

the tray at the top of the drawer  
Cedar-lined bottom drawers

**Material:** White Oak and Walnut Veneers with Cedar and Resin

**Drawer Construction:** Hooker Furniture offers full height, full depth and full width drawers for maximum storage capacity. All drawers have strong, time-tested English or French dovetail construction, for years of problem-free use. Plywood drawer bottoms are attached to plywood drawer sides for strength and durability. Metal side guides or wood on wood guide systems operate smoothly.

**Finish Construction:** Hooker Furniture utilizes a multiple-step finish process of up to 16 finish steps. This results in an unsurpassed clarity, depth and color richness and durability to our finishes. Through hand-craftsmanship such as rubbing and padding, our finishes feel as good as they look, with a smoothness that is delightful to the touch.

**Frame Construction:** Hooker Furniture uses carefully chosen solid wood and select wood veneers over durable wood products in our furniture construction. Use of veneers enables more decorative looks unattainable with solid wood. Veneers are used over durable wood products such as medium density fiberboard (MDF) and particle board, made of renewable resources. MDF and particle board are used in quality furniture for areas that need to be stable, such as large surfaces. These durable wood products do not expand and contract with heat and cold and do not absorb moisture as much as solid wood, which results in stronger and longer-lasting furniture.
