

Accessory List

 Screw washer x 32

 Hex key x 1

 Screw x 16

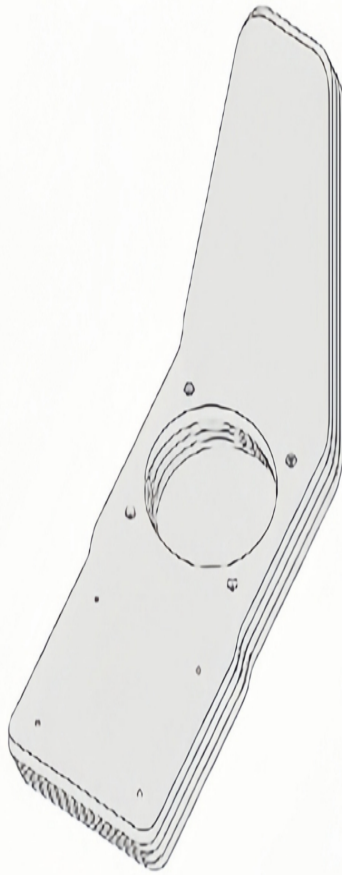

Table components x 4

Assembly Instructions

Warm tips: Before installation, please lay out pearl cotton on the ground to protect the product.

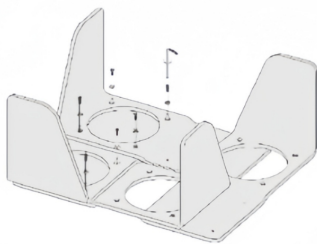

Lay out the four components on the ground as picture shows, aligning the screw holes of each part.

Step 1: Aligning the washers and screws one by one.

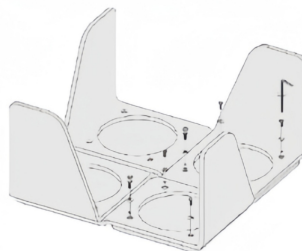

Step 2: Tighten the washer and screws onto the components with hex key. Screws won't tighten properly due to misaligned holes.

Step 3: Please handle with care.
Please check if all screws are tightened before using the table.
