#### Before beginning

- 1) Check and open the numbered packaged bags.
- 2) Read this Assembly Instructions from beginning to end before starting to assemble.
- 3) Take an inventory of the required parts to ensure all are available.
- 4) Assemble the separated parts according to the illustration with the providing tools.
- 5) To prevent accidental choking hazards, keep all packing materials away from small children.
- 6) Only tighten hardware until ALL hardware are fully engaged on their locations. Overtighten bolts will damage the bolt threads.
- 7) Use only factory provided hardware to assemble. Unapproved hardware can damage product or jeopardize the structural integrity of the product.
- 8) The use of power tool to assemble is not recommended due to high risk of over-torque, which can damage the product.
