

ASSEMBLY INSTRUCTIONS

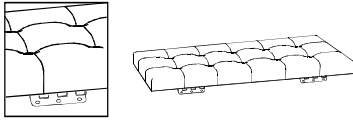

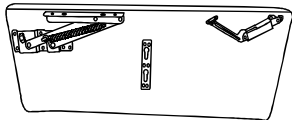

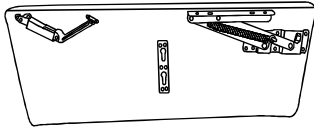

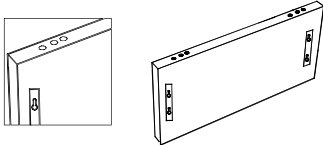

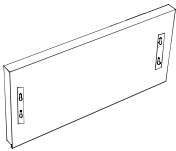

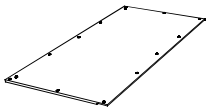

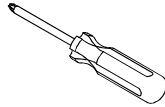

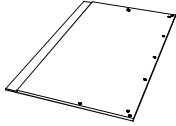

STORAGE OTTOMAN/COFFEE TABLE

ASSEMBLY INSTRUCTIONS

"IMPORTANT, RETAIN FOR FUTURE REFERENCE: READ CAREFULLY"

1. Confirm all parts are present prior to assembly.
2. Assemble on a flat, clean and soft surface.
3. Do not fully tighten screws until all parts are assembled.
4. Using an electric screwdriver will make installation more convenient.

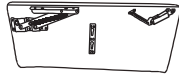

Item no.	Reference Image	Qty.	Item no.	Reference Image	Qty.
A1		X1	C1		X1
A2		X1	C2		X1
B		X1	I	 5x12x1MM	X8
D1		X1	J	 M4 X 25MM	X18
D2		X1	K	 M4x40MM	X19

First, Place Part F on top of the D2 side, align Part K,M with the pilot hole on Part F, and tighten it using a screwdriver.

Note:

1. Install the screws at the four corners first, then install the remaining screws.
2. Only Part G of the storage ottoman requires screw hole installation. For all other pilot holes, use a screwdriver to drive in the screws. An electric screwdriver is recommended for ease of use.

Next, place Part E on top of the D1 side, align Part K,M with the pilot hole on Part E, and tighten it using a screwdriver.

Finally, insert Part G into the hole of Part H and hand-tighten it at all four corners.

⓵ 10pcs

After the base plate is installed, flip the entire assembly upright.

Align the hinge of Part A1 with the pilot hole on Part D1, and tighten Part J using a screwdriver.

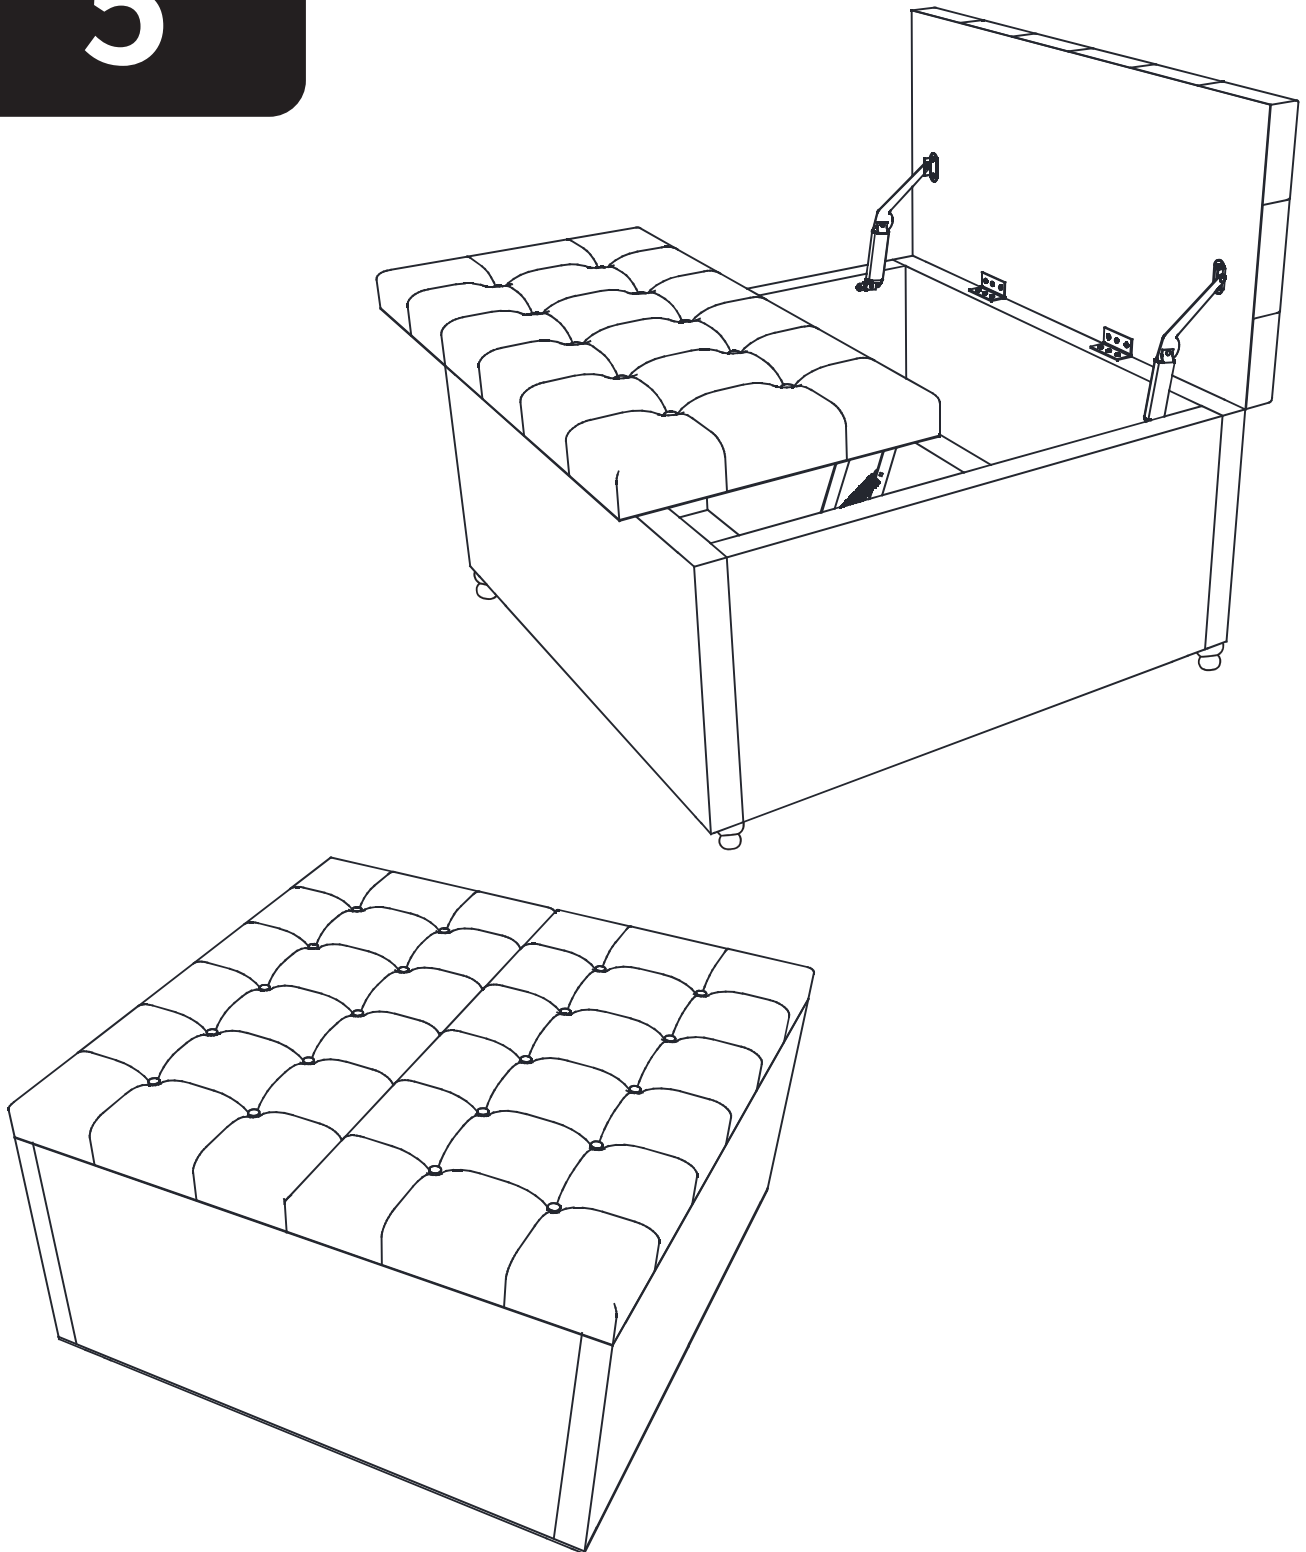

(NOTE:

1. Pouring the cover backwards before installation makes it easier to install the holes.
2. If you get stuck during the drilling process, don't worry, just pull out the cotton wrapped around the screw.)

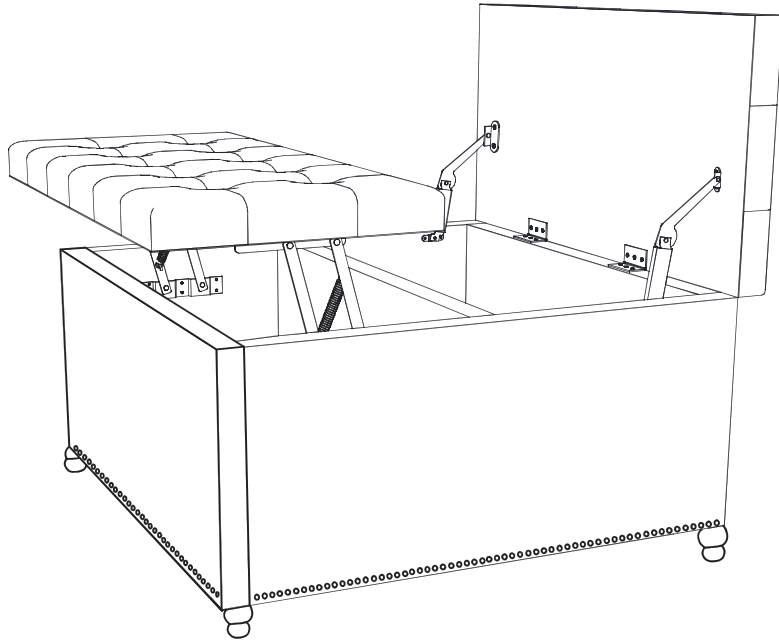

Then, use Part J to connect the hinge of Part A1 to the hinges on Parts C1 and C2.

Congratulations! You have completed the assembly!

Notice:

1. To obtain the installation video, kindly reach out to us for the link.
2. Please be aware that there might be a slight color variation due to factors such as lighting and screen refraction.
3. In case there are no pre-drilled holes in the board, don't worry, you can securely screw it in the appropriate position using the screws.

Frequently Asked Questions

1: What should I do if my shipment is damaged or products received are defective?

We're sorry to hear that! Please message us and provide a detailed description of the damage, as well as photos (or videos, where appropriate) showing the damage. We will do our best to resolve the issue as soon as possible.

2: Could I return the product if I'm not satisfied?

We put quality as one of our top priorities – We work with experienced manufacturers and have every piece of our product going through strict quality control process. However, if you still unsatisfied, it is recommended to return within 30 days of the date you received the product. You can message us with your reason of returning so we can facilitate the request and issue return authorization to you.

3: How to contact you if I have some problems?

Easy! Just message us and provide a detailed description about your problem, we are willing to help you and respond with 24 hours.
