

# ASSEMBLY MANUAL

Model : FCN0960\_00  
: FCN0970\_00  
: FCN0980\_00  
: FCN0990\_00

Customer Support: [ServiceTeam86@outlook.com](mailto:ServiceTeam86@outlook.com)

## BEFORE YOU START

### 1. TOOLS REQUIRED

Phillips screwdriver, not included.

### 2. CHECK ALL PARTS

Make sure all panels and hardware are included before assembly.

### 3. USE A SOFT SURFACE

Assemble on a carpet or protective mat to avoid scratches.

### 4. DO NOT FULLY TIGHTEN SCREWS FIRST

Tighten screws only after the unit is fully aligned.

### 5. Recommended: 2 Adults

Larger panels are easier and safer to assemble with two people.

### 6. KEEP SMALL PARTS AWAY FROM CHILDREN

Small parts may present a choking hazard.

## PRODUCT OVERVIEW

Finished Product & Dimensions

Please review the finished product shape and overall dimensions before assembly.

# HARDWARE INSTALLATION TIPS

## NOTE:

1.

Ensure there is no gap  
after tightening

2.

3.

4.

Assembly Time: 30 Minutes

Assembly Difficulty ★★☆☆☆

STEP 1

|    |                                                                                   |    |
|----|-----------------------------------------------------------------------------------|----|
| A  |  | X6 |
| CL |  | X1 |
| CR |  | X1 |

STEP 2

|   |                                                                                     |    |
|---|-------------------------------------------------------------------------------------|----|
| E |  | X8 |
|---|-------------------------------------------------------------------------------------|----|

STEP 3

|   |                                                                                   |    |
|---|-----------------------------------------------------------------------------------|----|
| F |  | X8 |
|---|-----------------------------------------------------------------------------------|----|

STEP 4

|   |                                                                                     |    |
|---|-------------------------------------------------------------------------------------|----|
| E |  | X5 |
|---|-------------------------------------------------------------------------------------|----|

STEP 5

|   |                                                                                   |    |
|---|-----------------------------------------------------------------------------------|----|
| D |  | X6 |
| F |  | X5 |

STEP 6

STEP 7

|   |                                                                                   |    |
|---|-----------------------------------------------------------------------------------|----|
| C |  | X4 |
|---|-----------------------------------------------------------------------------------|----|

STEP 8

STEP 9

|   |                                                                                   |    |
|---|-----------------------------------------------------------------------------------|----|
| E |  | X4 |
|---|-----------------------------------------------------------------------------------|----|

STEP 10

|   |                                                                                     |    |
|---|-------------------------------------------------------------------------------------|----|
| B |  | X1 |
| F |  | X4 |
| G |  | X1 |

## STEP 11

|    |                                                                                   |    |
|----|-----------------------------------------------------------------------------------|----|
| A  |  | X6 |
| DL |  | X1 |
| DR |  | X1 |

## STEP 12

| <b>⚠ WARNING</b>                                                                  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |
|-----------------------------------------------------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|  | <p>Children have died from furniture tipover. |  |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                         |

## SAFETY FIRST, STYLE ALWAYS

Thank you for choosing our product. To ensure safe use and optimal performance, please read and follow the instructions below:

- **Assembly:** Carefully follow all assembly instructions and securely tighten all screws and fasteners.
- **Intended Use:** Use the furniture as intended and do not exceed the stated weight limits.
- **Handling:** Move the furniture carefully and inspect it regularly for loose hardware.
- **Tipping Hazard:** Secure the furniture to the wall using the provided anti-tip device. Failure to do so may result in serious injury.
- **Overloading:** Do not exceed the recommended weight limits, as this may result in damage or injury.
- **Sharp Corners:** Use caution around sharp corners, especially in households with children.

## MAINTENANCE & CLEANING TIPS

- **Regular Cleaning:** Use a soft, dry cloth to wipe the surface of the cabinet regularly. Avoid harsh chemical cleaners.
- **Protect from Sunlight:** Keep the cabinet out of direct sunlight to prevent damage to the material and finish.

## WE'RE HERE TO HELP.

We don't just sell furniture - we're here for the long haul! If you run into any issues due to manufacturing defects or material problems, we offer a 1-year warranty. That means we'll replace any faulty parts for free - no hassle.
