Hercules Soft Seating Collection

3-7
Years

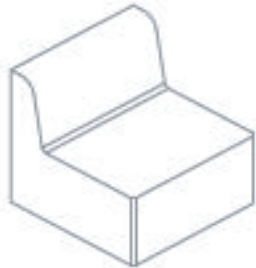

User Guide

Children will appreciate having flexible and comfy seating that allows them to sit comfortably throughout their learning day. Soft seating allows for movement that will help maintain concentration and allow postural control development so the children you're teaching will find it easier to carry out activities.

Multiple Configurations

Modular design lets you re-imagine your space again and again.

We take pride in our play, products and planet. All of our materials are ethically sourced and constructed of premium-grade wood materials including natural European beechwood and engineered wood from New Zealand. Other environmentally-friendly materials, like non-toxic water-based colors, soy ink and recycled packaging, are utilized across our entire collection.

Maintenance

Our products are preservative-free, so nothing is added that may contaminate or pollute. In exchange, a little extra care is needed. Please keep your new items in a low humidity environment and wipe them clean and dry regularly.
