

ADVANCED CLEAN AC 1.0 SpaLet™ SEAT WITH SIDE PANEL OPERATION

8013A80GPC-020

- Simple design for use with most elongated bowls
- Slow-close seat and lid
- One button push to easily remove the seat cover that allows the user to easily detach the seat for convenient cleaning of hard-to-reach areas
- One-touch power save (8 hours)
- Two independent self-cleaning water spray nozzles for front and rear cleansing
- 4 nozzle positions to personalize your cleansing experience
- The heated seat function has 5 levels: 3 preset and 2 additional customer settings. Temperature can be easily adjusted for comfort
- The deodorizer uses active charcoal to reduce the odors in the bowl. Operation begins once the user sits down on the seat and continues for 5 seconds after the user stands up
- The massage feature alternates between strong and mild sprays, creating a massaging effect that indulges the user. Posterior spray only
- Self-cleaning nozzles are rinsed with water before and after cleansing
- Anti-bacterial properties are applied to the seat, cover, nozzles and control panel to inhibit the growth of bacteria
- Color-matched remote control included
