## GLIMMER OF HOPE

uph-419-231-a

**COLLECTION:** Caracole Upholstery

**DIMENSIONS:** 27.25W x 27.25D x 32.5H

Bold in character, this dazzling chair is unique in every way. Its one-of-a-kind shape was born from design exploration of the organic beauty and inspiration found in nature. Cast in solid brass and finished with a highly polished Glimmering Brass finish accented with white enamel, it has the feel of branches or coral reaching up toward the light. Richly upholstered in a soft, textured neutral, this remarkable creation conveys an attitude of modern opulence.

**CONSTRUCTION:** Plush poly foam cushion.
