

IMPORTANT

- Read instructions **COMPLETELY** before assembly.
- Retain this booklet for future reference.
- Wear safety equipment and use caution during assembly.

WARNING

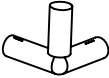

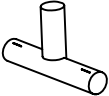

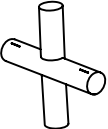

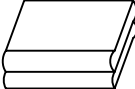

- **FABRIC IS FLAMMABLE.**
- Do not expose top or sides of the shelter to open fire or any other flame source.

DANGER

- Choose the location of your greenhouse carefully.
- Prior to installation, consult with all local building codes regarding installation of temporary greenhouses.
- Beware of overhead utility lines, tree branches or other structures that could shed snow, ice or excessive run off onto your greenhouse.
- Check for underground pipes or wires before you dig.
- **DO NOT** hang objects from the roof or support cables.
