IMPORTANT SAFETY INSTRUCTIONS

IMPORTANT SAFETY INSTRUCTIONS

This guide provides instructions for installing and using the Pool Basketball and Volleyball Net. If you have any questions about the equipment, please contact XtremepowerUS.

This guide contains important information about safely installing and operating this product. After installation, make sure to share this information with the owner/operator or leave it with them for their reference.

Legends and Symbols

When you come across the safety-alert symbol on your equipment or in this manual, pay attention to the following signal words and remain vigilant about the potential for personal injury.

DANGER: Ignoring these hazards can result in death, severe personal injury, or significant property damage.

WARNING: Indicates potential hazards that can result in severe personal injury, death, or significant property damage. Ignoring these warnings presents a real danger.

CAUTION: Indicates potential hazards that can result in minor or moderate personal injury, property damage, or actions that are unpredictable and unsafe. Ignoring these cautions presents a potential hazard.

NOTICE: This label indicates important special instructions that are not directly related to hazards.

USE OF NON-XTREMEPOWERUS REPLACEMENT PARTS VOIDS WARRANTY

ATTENTION INSTALLER: This manual contains vital information regarding the installation, operation, and safe use of this product. It is essential to provide this manual to the end user of the product. Failure to read and follow all instructions could lead to severe injuries.

Failure to comply with all instructions and warnings may lead to severe bodily injury or even death. For optimal safety and functionality, it is advisable to have the product installed and serviced by a certified service professional. Prior to using this product, installers, operators, and owners must carefully review these warnings and all instructions provided in the owner's manual. It is essential to leave these warnings and the owner's manual with the owner for their reference and safety.

For safety reasons, children should not be allowed to use this product. Packing materials and plastic bags are not toys. Keep them away from children to prevent the risk of suffocation.

IMPORTANT SAFETY INSTRUCTIONS

GENERAL SAFETY INFORMATION

DANGER

- **Risk of Drowning:** Never allow unsupervised children to use the pool while the basketball or volleyball set is in use. Always provide adult supervision.
- **Electrical Hazard:** Do not use the equipment near any electrical sources or during thunderstorms to prevent the risk of electrocution.
- **Entrapment Hazard:** Ensure no loose or dangling straps, nets, or parts are submerged in water to avoid entanglement.
- **Proper Use:** Follow the manufacturer's instructions for proper use.

WARNING

- **Assembly Safety:** Failure to securely fasten all parts during assembly can result in the cart collapsing during use, leading to severe injuries. Follow the manufacturer's instructions carefully.
- **Improper Assembly:** Incorrect installation or loose components can cause the structure to collapse during use, potentially leading to injuries.
- **Overloading:** Do not allow more than the recommended number of players on or near the equipment at once to avoid structural failure or tipping.
- **Sharp Edges:** Inspect all parts for sharp edges or damaged surfaces before use to prevent cuts or injuries. Replace any defective parts immediately.
- **Weather Considerations:** Exposure to extreme weather (e.g., prolonged rain, direct sunlight, or snow) can weaken the equipment, leading to unexpected failures during use.

CAUTION

- **Slippery Surfaces:** Wet areas around the pool may become slippery. Ensure users wear non-slip footwear and avoid running near the pool to prevent falls.
- **Sun Exposure:** Prolonged exposure to the sun can cause the equipment to overheat. Check all parts for safe handling, especially metal components, before use.
- **Safe Storage:** When not in use, disassemble and store the equipment in a secure location to prevent damage from environmental factors like wind or UV rays.
- **Stability and Balance:** Position the equipment on a flat surface (if applicable) to prevent it from falling unintentionally.
- **Inspection and Maintenance:** Regularly inspect bolts, screws, and fasteners for looseness. Failing to tighten them may cause the equipment to malfunction during use.
- **Lifting Precautions:** Use proper lifting techniques when moving the equipment manually. Improper lifting could lead to strain or minor injuries.

NOTE

- **Pre-Use Inspection:** Reconfirm that all bolts, screws, and knobs are properly secured before every use. Conduct routine checks to ensure continued safety and reliability.
- **Equipment Lifespan:** To prolong the lifespan of the equipment, rinse it with fresh water after exposure to pool chemicals and dry it thoroughly before storage.
- **Instruction Retention:** Retain these instructions for future reference to ensure proper assembly, maintenance, and safe usage.

OVERVIEW (PRODUCT INFORMATION)

INTRODUCTION

The XtremepowerUS Pool Basketball Hoop and Volleyball Net 2-in-1 Set is the ultimate addition to your poolside entertainment. Designed for versatility and fun, this innovative equipment combines two popular sports into a single, easy-to-use system. Whether you're spiking a volleyball or shooting hoops, this 2-in-1 set enhances the enjoyment of swimming pools for family and friends.

SPECIFICATIONS

MODEL	90143
BASKETBALL DIMENSION	30 x 35 x 47 INCH
PRODUCT WEIGHT	19 LBS
MATERIAL	HDPE
VOLLEYBALL DIMENSION	280 x 30 x 32 INCH
BASKETBALL / VOLLEYBALL NET MATERIAL	POLYESTER

ASSEMBLY

ASSEMBLY INSTRUCTION - BASKETBALL HOOP

STEP 1

Fill PART: P90143-3 and PART: P90143-4 with water up to the MAX FILL LINE level and secure by placing PART: P90143-7 over the filling holes.

ASSEMBLY

STEP 2

Attach PART: P90143-3 and PART: P90143-4 together as one post.

ASSEMBLY

STEP 3

Attach PART: P90143-1 to the CONNECTED POST. Align the CONNECTED POST with the BACKBOARD slot to ensure proper positioning. Secure the fill hole by placing PART: P90143-7 over the BACKBOARD fill hole.

ASSEMBLY

STEP 4

Place the second PART: P90143-1 in the desired area. Fill the base with mixture of water and sand for enhanced stability. Water can be used as an alternative if sand is unavailable. Secure the base by placing PART: P90143-7 over the fill hole. Connect the part to the assembly to complete this step.

ASSEMBLY

STEP 5

Attach PART: P90143-5 to the front of the BACKBOARD. Secure it by attaching PART: P90143-2 on the back of the BACKBOARD.

ASSEMBLY

STEP 6

Attach PART: P90143-6 to the BASKETBALL RIM by Insert the top loop of the net over the hook or through the loop on the rim. Pull the loop firmly to secure it in place. Ensure the net is evenly distributed around the rim to maintain balance.

ASSEMBLY

ASSEMBLY INSTRUCTION - VOLLEYBALL NET

STEP 1

Attach PART: P90143-1 to PART: P90143-3 by aligning the CONNECTED POST with the BACKBOARD slot to ensure proper positioning. Repeat the same process for PART: P90143-1 and PART: P90143-4. Fill the desired mixture of water and sand as needed into the BACKBOARD.

ASSEMBLY

STEP 2

Attach PART: P90143-11 to one end of the CONNECTED POST, ensuring it is secured tightly. Stretch the VOLLEYBALL NET across to the second CONNECTED POST and attach it in the same manner, ensuring the net is taut and evenly aligned. Adjust the net height as needed to ensure it is at the desired level for volleyball. If necessary, make further adjustments to the posts for proper alignment.

DISCLAIMER

PLEASE READ THE FOLLOWING CAREFULLY

The manufacturer and/or distributor have provided the parts list and assembly diagram in this manual for reference purposes only. They do not make any representation or warranty to the buyer that they are qualified to make repairs to the product or replace any parts of the product. In fact, the manufacturer and/or distributor expressly state that all repairs and parts replacements should be undertaken by certified and licensed technicians, and not by the buyer.

The buyer assumes all risk and liability arising from their repairs to the original product or replacement parts or arising from their installation of replacement parts. It is strongly advised that qualified professionals handle any repairs or replacements to ensure safety and proper functioning of the product. Improper installation and operation may result in injury, property damage, or voiding of warranty. The manufacturer and/or distributor shall not be held responsible for any accidents, damages, or malfunctions resulting from the buyer's installation and operation of the product. It is essential to follow all safety guidelines and recommendations provided in this manual and to seek professional assistance if unsure about the installation or operation procedures.
