

Ovente Smoothie Maker Best Blender with Dispenser (BLH1000 Series)

\$89.99

Key Features

PORTABLE – Perfect for those who are constantly on-the-go, this personal blender has a BPA-Free take-along blender cup (13.5 oz) that you can take with you as soon as you're done blending. Also comes with a secure spill-proof lid to prevent messes.

EFFICIENT – It's powered by 180-Watts and flawlessly blends ingredients with heavy duty stainless steel blades so your fresh smoothie is perfect every time.

CONVENIENT – The blender cup is lightweight, ergonomic, and fits easily into any cup holder. It also comes with a built-in cord storage so you no longer need to deal with messy cords, and looks great tucked away.

EASY TO CLEAN – The blender cup is dishwasher-safe and the base can be cleaned easily by wiping it with a damp cloth, so clean up is quick and always a breeze.

FAST & VERSATILE – Quickly blends smoothies, protein shakes, purees, cocktails, dips, sauces, baby food, and more with just one
