IMPORTANT SAFETY INSTRUCTIONS

Warning: When using electrical products, always follow basic precautions including the following:

READ AND FOLLOW ALL SAFETY INSTRUCTIONS.

1. Do not use seasonal products outdoors unless marked suitable for indoor and outdoor use. When products are used in outdoor applications, connect the product to a Ground Fault Circuit Interrupting (GFCI) outlet. If one is not provided, contact a qualified electrician for proper installation.
2. This seasonal-use product is not intended for permanent installation or use.
3. Do not mount or place near gas or electric heaters, fireplaces, candles or similar sources of heat.
4. Do not secure the wiring of the product with staples or nails, and do not hand on sharp hooks or nails.
5. Do not let lamps rest on the supply cord or on any wire.
6. Unplug the product when leaving the house, when retiring for the night, or if product will be left unattended.
7. This is an electrical product - not a toy! To avoid the risk of fire, burns, personal injury and electric shock, it should not be played with or placed where small children can reach it.
8. Do not use this product for other than its intended use.
9. Do not hang ornaments or other objects from cord, wire, or light string.
10. Do not close doors or windows on the product or extension cords as this may damage the wire insulation.

11. Do not cover the product with cloth, paper or any material not part of the product when in use.
12. This product has a polarized plug (one blade is wider than the other) as a feature to reduce the risk of electric shock. This plug will fit in a polarized outlet only one way. If the plug does not fit correctly in the outlet, reverse the plug. If it still does not fit, contact a qualified electrician. Do not use with an extension cord unless plug can be fully inserted. Do not alter or replace the plug.
13. Read and follow all instructions that are on the product or provided with the product.

SAVE THESE INSTRUCTIONS

Use and Care Instructions

1. When the product is placed on a live tree, the tree should be well maintained and fresh. Do not place on live trees in which the needles are brown or break off easily. Keep the tree holder filled with water.
2. If the product is placed on a tree, the tree should be well secured and stable.
3. Before using or reusing, inspect product carefully. Discard any product that has been cut, damaged, or frayed wire insulation or cords, cracks in the lamp holders or enclosures, loose connections, or exposed copper wire.
4. When storing the product, carefully remove the product from wherever it is placed, including trees, branches, or bushes, to avoid any undue strain or stress on the product conductors, connections, and wires.
5. When not in use, store neatly in a cool, dry location protected from sunlight.

CAUTION

- To reduce the risk of fire or electric shock, do not attempt to replace lamps or modify string.
- To reduce the risk of fire and electric shock: a) Do not install on trees having needles, leaves or branch coverings of metal or materials which look like metal, and b) Do not mount or support strings in a manner that can cut or damage wire insulation.

Operating Instructions

1. High impact fixture resists weather and wear.
2. Use the spikes at all times.
3. Insert into soft ground using footrest.
4. Set light to proper angle and tighten wing nut while ensuring that the floodlight does not touch the ground and is clear of dried leaves and other debris.
5. Plug into outlet or electrical extension cord.

Lens Replacement Instructions

1. Turn counterclockwise to loosen.
2. Put the lens directly.
3. Turn clockwise to tighten.

Specifications

Input Voltage: 120Vac, 60Hz
 Input Current Rating: 0.055A
 Power Rating: 5.5W

Package Includes

- 1 x Floodlight
- 1 x Spike
- 1 x Screw
- 1 x Cap Nut
- lens (RED, Green, Yellow, Blue, Purple) depends different items
