Dear Customer,

Thank you for your order.We want to remind you to check the package. If you find anything damaged, don't panic right away because we included about 10% glass spare parts in the carton just in case.

Please follow our assembly instructions carefully or the video on this page to complete the partial assembly. If you're still confused, please send us a message on Wayfair Messages, and we'll explain how to install.

If there is any problem,we will always be here to help you!

Hope you will enjoy!

Best Regards,
Customer Service Team

Gloves

Electric drill

Wrench

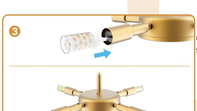
Ladder

For safer and more efficient installation of chandeliers, you can use additional tools to assist.Please confirm that the power supply is turned off before installation.

3.2 INSTALLATION STEPS

1.Check that the accessories are all there.

2.Drill holes and install expansion bolts or screws to fix the top plate to the cement ceiling or wood ceiling.



3.Insert the LED bulb into the metal base of the bulb, which can be freely rotated to meet the angle you need.

4.Pass the power cord through the metal pole, then connect the two ends of the metal pole to the metal top plate and the metal light bulb base plate.

5.Next,we started assembling the chandelier by attaching the clear ribbed glass balls to the bowl-shaped metal cage with metal hooks from bottom to top.

6.Install the remaining glass,complete! Now, turn on the power and enjoy the new light.

Here is some information about chandeliers:

ABOUT DELIVERY	The chandeliers you ordered comes in one or more packages. For the chandeliers with multiple packages, its light frame and glass rod are packaged and shipped separately. Sometimes due to different express batches, multiple packages cannot be shipped at the same time, so please stay patient. The rest of the packages will usually arrive within a few days of receiving your first package. If you still haven't received the shipment within 5 days, you can contact our customer service to check.
ABOUT COLOR DIFFERENCE	Product pictures are all taken in kind. However, due to factors such as photography technology, light, and display parameters of electronic equipment, the color of the actual product you receive will be slightly different from the photos. Please refer to the actual product.
ABOUT AFTER-SALES SERVICE	If you have any questions during receipt or installation, please feel free to contact us on the order details(click "problem with order"). We can provide professional guidance and reshipment of damaged parts due to logistics at any time.

If you have any questions, please feel free to contact us. our customer service team is standby to help you with 24H/7D,we will be offering best solutions regarding any assemble and accessories issues at the very first time.
