---

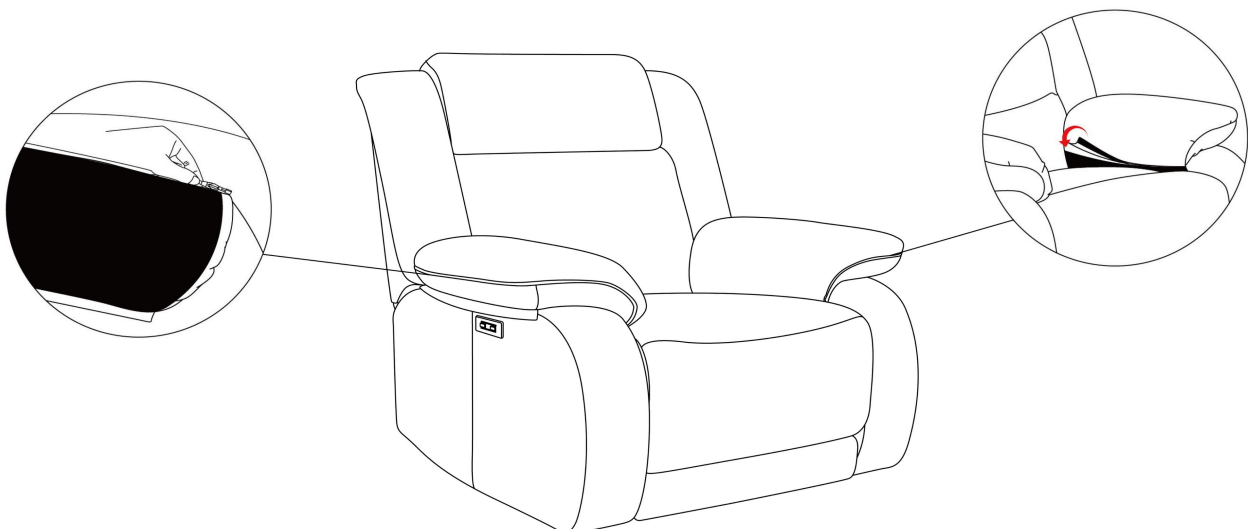

# Assembly Instruction

---

1. Open the carton and find the parts inside, then slide inside back receivers into the steel mechanism posts in the base of the furniture (Figure A), as shown below.
2. Press both sides of the inside back firmly into place. The inside back automatically locks in place.
3. To remove the inside backs, use a screwdriver pressing outward on the black tab in the metal sleeve (Figure B) on both sides of the inside back and lift the inside back from the base of the furniture, as shown below.

4. Connect the left armrests and the right armrest to the base by zippers and velcros , as shown below :

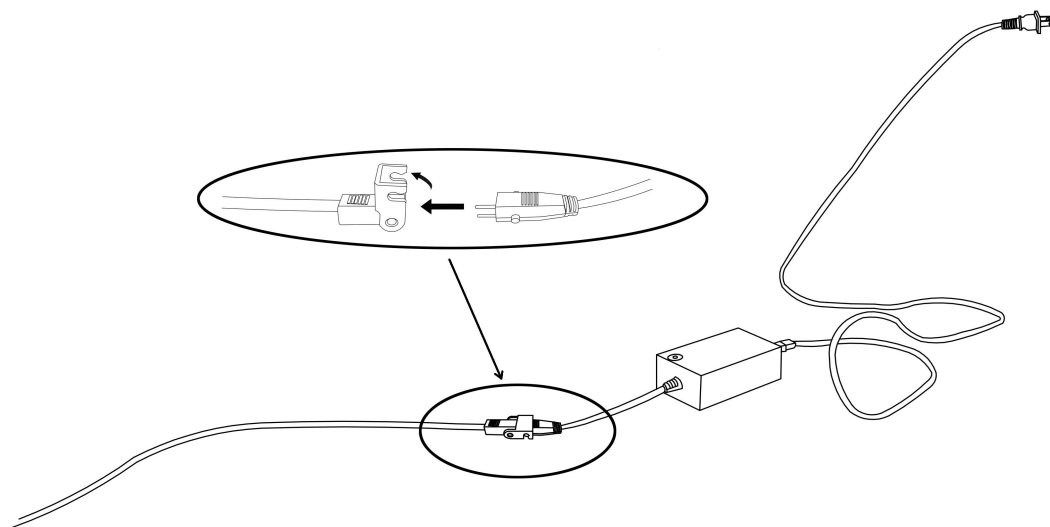

---

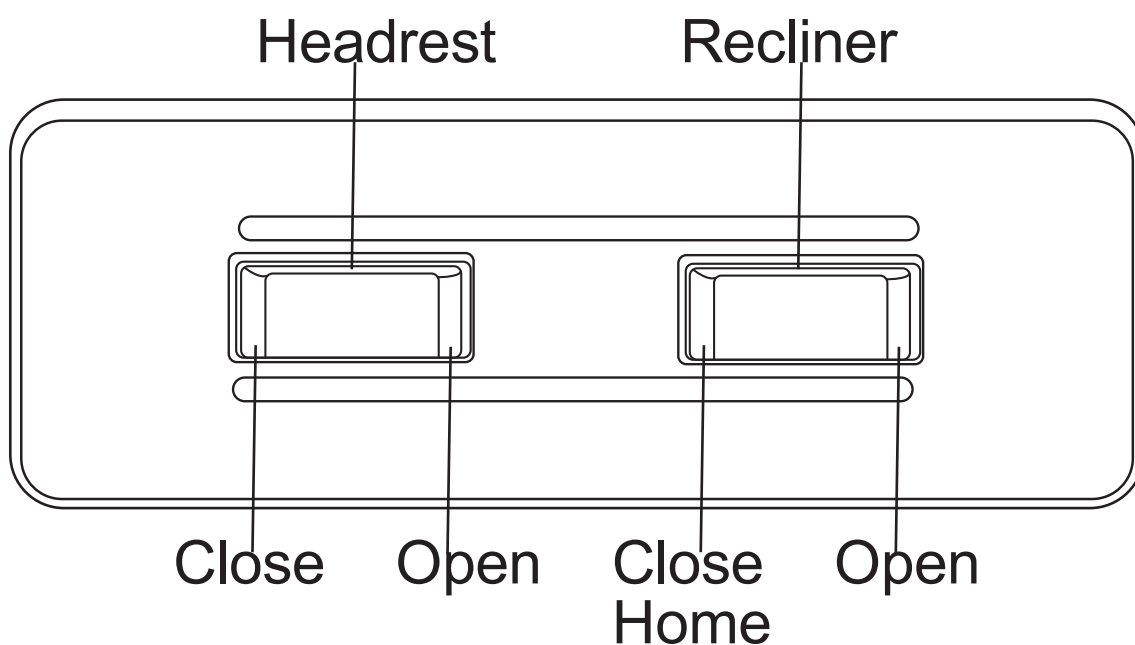

## Assembly Instruction

---

**5.** Connect the power supply of the recliner, as shown below.

**6.** Then you can start your adjustment of recliner by keys outside the arm, as shown below.

## 7. Completed!

### Attention:

1. Do not stand on the seat cushion.
  2. For indoor use only.
  3. Do not expose to direct sunlight.
  4. Do not place this product near sources of excessive heat.
  5. Do not allow children to play on or near this product.
  6. Avoid use of sharp objects on or near this product.
  7. Use fabric/upholstery cleaner on spills and marks, as general household cleaners can damage fibres and discolour fabrics.
  8. Clean spills/marks immediately, as stains are harder to remove when they are left unattended.
  9. For persistent stains and overall cleaning, contact a professional upholstery cleaning company.
  10. The feet or base of this upholstered product is intended for carpeted surfaces only and not recommended for use on tile, hardwood, or laminate floors. Use of this product directly on these surfaces could cause floor surface damage. Please take appropriate precautions by placing this product on a carpeted surface or by using protective pads.
  11. Do not allow children or pets to play on this mechanized furniture or operate the mechanism. Legrest folds down on closing so that a child or pet could possibly be injured. Always leave in an upright and closed position. Keep hands and feet clear of mechanism. Only the occupant should operate it.
