

PANCAKE DISC SERIES

LED New Construction and Remodel • Wet Location • Dimmable •

Specifications:

Description:

The slim disk light delivers a solution for flushmount application for both residential and commercial applications. In addition, it is wet located and is a cost effective solution for fire rated application. It provides a 120V alternating current source and eliminates the need for a traditional LED driver. This modular approach results in an encapsulated luminaire that unites performance, cost and safety benefits.
