# Assembly instructions

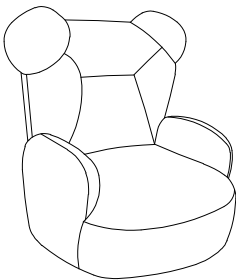

**008L** Your sofa comes packaged in 1 box.  
Carefully remove all of components from the packaging and set aside for assembly.

**Before Beginning**

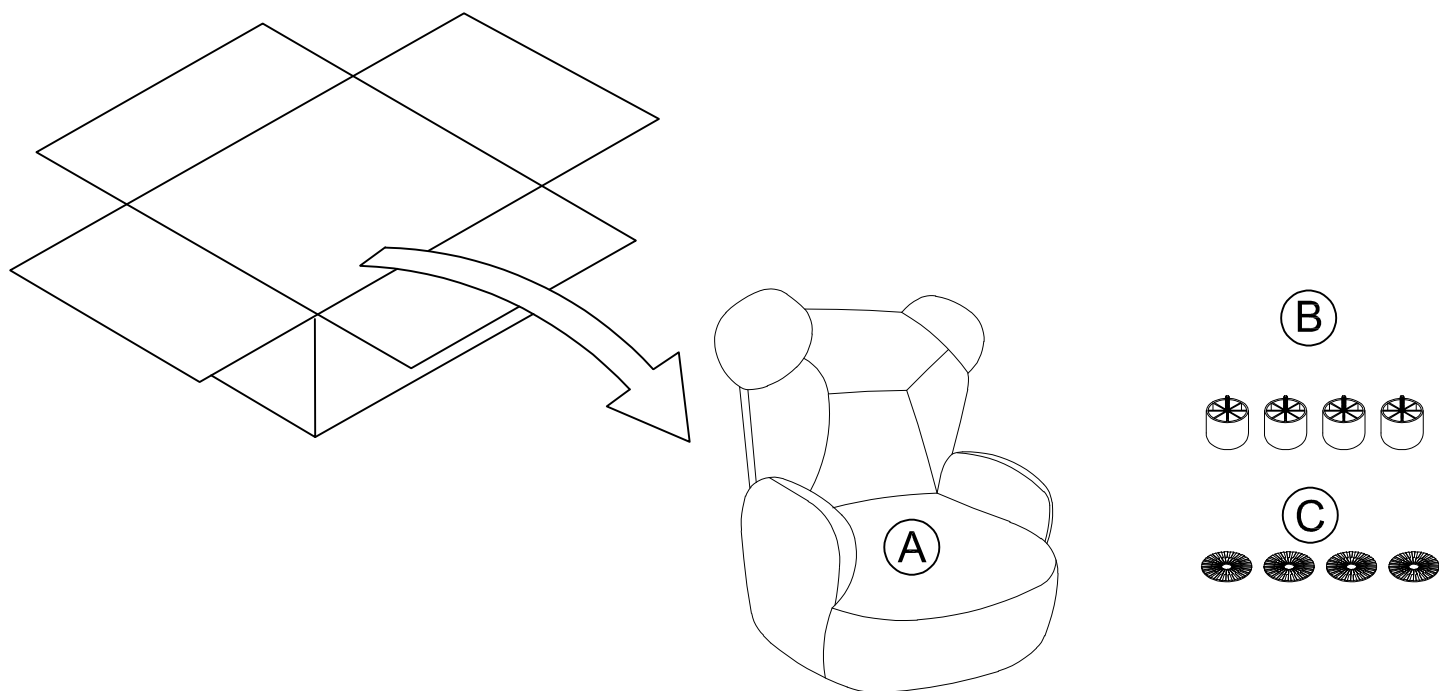

- 1 - Carefully unpack and position the item on a clean, non-marring surface to assemble.
- 2 - Read this Assembly instruction from beginning to end before starting to assemble.
- 3 - Take an inventory of the required parts to ensure all are available.
- 4 - To prevent accidental choking hazards, keep all packing materials away from small children.
- 5 - Only tighten hardware until ALL hardware are fully engaged on their locations. Overtighten bolts will damage the bolt threads.
- 6 - Use only factory provided hardware to assemble. Unapproved hardware can damage product or jeopardize the structural integrity of the product.
- 7 - The use of power tool to assemble is not recommended due to high risk of over-torque, which can damage the product.

## Package Contents

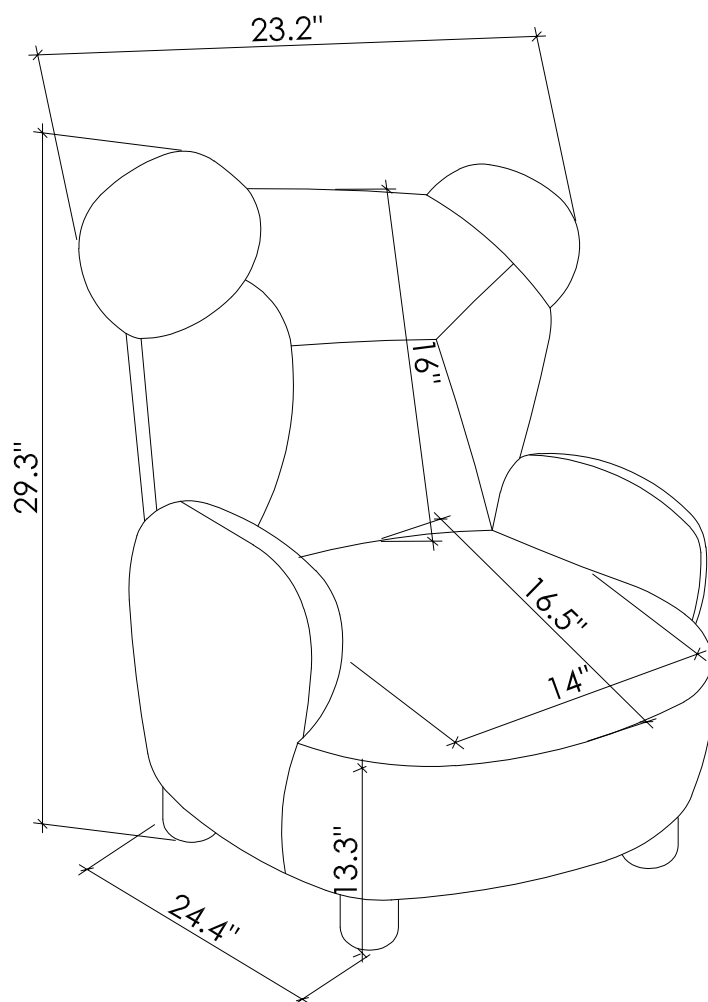

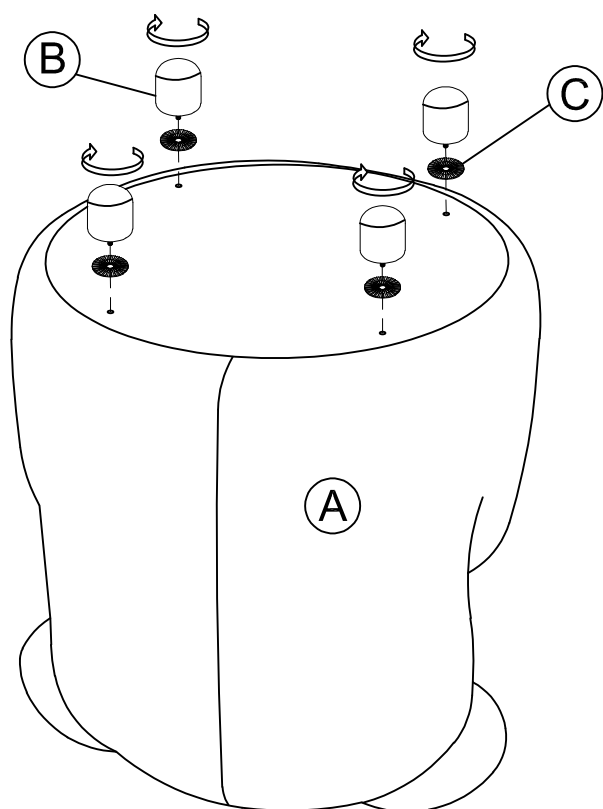

### Parts list

|-------------------------------------------------------------------------------------|----|-------------------------------------------------------------------------------------|----|---------------------------------------------------------------------------------------|----|
| A                                                                                   | X1 | B                                                                                   | X4 | C                                                                                     | X4 |
|  |    |  |    |  |    |
| Body                                                                                |    | Leg                                                                                 |    | Plastic washer                                                                        |    |

**Step 1:** Unpack all contents from the box. Lay out the sofa body, legs, and hardware on a clean surface, and check that all parts are present and undamaged.

**Step 2:** Place the chair body (A) upside down on a soft, flat surface. Attach the legs (B) to the marked positions and screw them in clockwise until firmly tightened. Ensure all legs are evenly secured, then turn the chair upright and check for stability before use.

## Warnings

1. **Please check if the components of the sofa are all included and can be used normally.**
2. **Assemble all components according to the instruction correctly before you use the sofa.**
3. **Please DO NOT sit on the armrests to eliminate the risk of tipping over.**
4. **If the sofa is damaged or doesn't match the website description, please send clear pictures of the product and label of the carton to our service team for further help.**
5. **If you have any questions with the product, please contact us by:
