## Sweetest Taboo 1

D2799S55966-4693

A lovely piece in the style of Georgia O'Keeffe, Sweetest Taboo 2 highlights the intricate structuring of a lily flower while emphasizing its inherent beauty. Here, the technique of overlapping gives the work a sense of depth that draws the viewer into the lush center of the flower. An understated color palette in milky off-white and soft grey enhances the allure of this sensual piece. A delicate and enchanting work of art on textured paper, Sweetest Taboo 2 is a graceful addition to ART by TA. Pairs beautifully with Sweetest Taboo 1.
