

JULIAN CHICHESTER

Tribeca Spot Table

An Art Deco inspired round table with three curved legs, which sit flush with both the top and base. The Tribeca is offered in three finishes: Faux Shagreen Brown with Polished Nickel, Dover White Faux Shagreen with Polished Nickel, or Bleached Aged Oak.

A Side Table is also available in the Tribeca Collection.

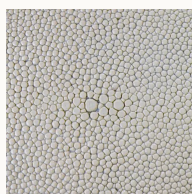

Nickel is a hand-applied finish which is applied and beaten by hand. As a result, the finish is unique in both appearance and texture.
