Kathryn Wall Clock 625525

Warm Notes: A touch of warmth transforms this oversized wood wall clock into a true work of art. It's finished in Tuscany Cherry on select hardwoods and veneers, and features an aged appearance that makes it a beautiful addition for any traditional space, be it the living room, the entryway, or the office.

Unique Accents: This wall clock with pendulum stands out for its unique door, which has an eye-catching fret-cut grill over the glass. Turned columns and decorative top molding complete the look of this flat-top accessory. The pendulum has a circular, brushed, brass-finished bob that hangs delicately from a wooden stick. Meanwhile, the off-white dial appears authentically vintage thanks to its black Roman numerals and hour markers, spun brass-finished bezel, and black hour and minute hands. Volume control and automatic nighttime chime shut-off options are provided on this chiming wall clock.

Quartz Movement: This clock requires two C batteries for operation. Quartz, triple-chime Harmonic movement plays full Westminster or Ave Maria chimes with strike on the hour with 1/4, 1/2, and 3/4 chimes accordingly. Westminster chime and strike on the hour only; or Bim Bam chime on the hour only.
