\*If you are having difficulty, our friendly Customer Care team is always here to help.

## PREPARATION

\*Before beginning assembly of product, make sure all parts are present. Compare parts with part contents list and hardware contents list.

\*If any part is missing or damaged, do not attempt to assemble the product.

\*Estimated Assembly Time: 60 minutes.

\*Tools Required for Assembly (included): Allen Key

## CARE AND MAINTENANCE

Always use felt pads under all articles to prevent discoloration or softening of the lacquer. Plastic and rubber bases on items can discolor wood. Wipe up spills immediately and avoid common hazards such as hot dishes, harsh solvents and abrasives. Cleaning should be done with a soft lint free cotton cloth dampened with water or furniture polish. On highly used surfaces we recommend applying a quality paste wax which should be used on a regular basis to provide additional protection from scratches and spills. How often you apply the wax depends on how much wear the furniture receives.

### Part List

**Product Dimensions: 47"Wx15"Dx20"H**

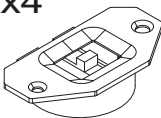

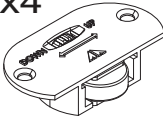

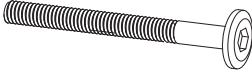

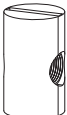

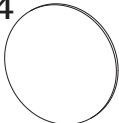

### **WARNING :**

**WEIGHT CAPACITY: 66 LBS.**

**Warning : Do not stand on media stand.**

**Warning : Do not over torque bolts.**

# TIPPING RESTRAINTS KIT INSTALLATION GUIDANCE

Different wall materials require unique wall fasteners.

The wall plugs (AA2) and screws (AA3) are designed for fixing to concrete walls only.

Please consult your local hardware store to ensure you are using the correct hardware for your wall type.
